READ—the following letter from Lieutenant W. L. C. BADDELEY, R.E., General Superintendent, Public Works Workshops, to the Deputy Chief Engineer, Public Works Department, dated Madras, 5th June 1883, No. 310 W.:—

I have the honor to report that the Examiner of Public Works Accounts has objected to pass the pay of the following men on the sanctioned establishment of the Public Works Workshops, viz.:—

C. Kistnasawmy Moodaliyar, Clerk, 3rd Class, 3rd Grade.
S. V. Manickum Pillay, Draftsman and Estimator, 2nd Class.

2. The ground of objection to Kistnasawmy Moodaliyar is that he has not passed the Examination in the Public Works Code. To this I would reply that up to the re-organization of the Office Establishment of the Public Works Workshops sanctioned in G.O., No. 922 W., dated 21st March 1883, this man was borne on the books as Store-keeper* and his pay, Rs. 60, was invariably passed from November 1873

* Security Rs. 200.
without objection. He now performs exactly the same duties but is borne on the Establishment as Clerk, 3rd Class, 3rd Grade.

3. I have informed the man that he must pass the examination laid down for Store-keepers, and he will do so; but in the meantime I hope he will be allowed to draw the full pay of his appointment.

4. S. V. Manickum Pillay only holds a 3rd-Class Certificate from the Civil Engineering College, and it is on this ground that the Examiner has objected to his pay.

5. The objection arises from the misunderstanding caused by the Public Works Code, which recognises no distinction between Civil and Mechanical Engineering. The Civil Engineering College does not profess to turn out Mechanical Draftsmen and the College Certificate is of little value from a Workshop point of view.

6. Manickum Pillay was recommended to me some years ago by Colonel Farewell, then Deputy Chief Engineer, and he has gradually become a most useful man for Workshop work, being active and intelligent, a fair draftsman and possessed of a considerable amount of experience in metal and wood work.

7. In the re-organization of the Workshops, I propose to retain Manickum Pillay as the only draftsman and estimator of the Workshops, and I trust, therefore, that he may be allowed to draw the pay sanctioned for him in G.O., No. 922 W., dated 21st March 1883.

ORDER—dated 13th June 1883, No. 1655 W., Public Works.

The Examiner, Public Works Accounts, is authorised to pass the pay of C. Kistnasawmy Moodaliyar as Clerk, 3rd Class, 3rd Grade, on the understanding that he passes the Public Works Code Examination at the next opportunity.

2. The question of exempting S. V. Manickum Pillay from the 2nd-Class Test for draftsmen will be remitted for favorable consideration in the Educational Department.
