Office Note from the Examiner P. W. Accts No 284 dated 11th June 1883.

Note
No yrs have been calculated from date of appointment viz 23 Sept 1882, and the last two Assistant Engineers who were promoted to 2d grade will expire from the 23d Sept 1882.
CA 12/6

Should the yrs be calculated from date of joining the service or from date of their entering on work? The latter it seems to me.
CS 12/6

The Examiner P. W. Accts
CA 12/6

The undermentioned Assistant Engineers from the Royal Indian Engineering College completed their course of practical training for one year from the 23d September 1882, a Report of the same having been forwarded to the Secretary of State with Go No 3258 W dated 11th Decr 1882.

Mr C. H. D. Mosse Bunbury
" J. H. Medlicott
" J. J. Wheatley
" A. J. Mackenzie
" J. T. Sandcock.

Note.

There is no order in the Records which distinctly states that the years course of practical training should be calculated from date of joining the appointment and not from date of entering service, but in the case of Mr Handcock, his practical training commenced from date he joined his appointment. Viz 2nd January 1882 - Vide No 2003 C dated 8th June 1882.

A revised Draft is accordingly submitted for approval. The dates of the Officers joining their respective appointments have
