No. 675 G.C.

FROM,

THE SUPERINTENDING ENGINEER

FIRST CIRCLE.

TO,

THE CHIEF ENGINEER

P. W. Department

~~FOR IRRIGATION.~~

DOWLAISHWERAM, 1st June 1883

SIR,

With reference to para 3 of G.O No 1561 W. 21. 6. 82. I have the honor to state that the Executive Engineer reports that as he has found it necessary to compel the preparation to as great a degree as possible (see Para 2065 of the Code) of "work abstracts" in the Rajahmundry Sub Division & as now there is much work to be carried on there an extra clerk on Rs 15 a month is absolutely necessary for that Sub Div and I trust sanction will be given for his appointment.

I have the honor to be,

Sir,

your most obedient Sv

C. Ewald

Offg Supt Engr 1st Circle.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers :—

Office Note from the Examiner of Public Works Accounts, dated Madras, 8th May 1883, No. 142.

With reference to G.O., No. 735 W., dated 7th March 1883, according sanction to the scale of establishment for the Godávari Central Division, please state why the following establishment has been provided for the two sub-divisions of this division :—

4 Clerks, IV Class, 3rd Grade.
4 Messengers at Rs. 6.

2. Ordinarily, each permanent sub-division is allowed only 1 Clerk, IV Class, 3rd Grade, and 1 Messenger.

3. I beg also to be informed whether the number of lascars allowed for the division is to be limited to the extent sanctioned in the above order, or calculated at the rate allowed for permanent divisions of the same class.

4. Awaiting early orders.

---

Office Note from the Chief Engineer for Irrigation, dated 23rd May 1883.

So far as I can recollect, the sub-divisional establishment proposed for the Central Delta, Godávari, originally was intended for two sub-divisions, each sub-division establishment being understood to consist of one clerk and one messenger. I see no reason why the establishment in the temporary divisions should not agree with the scale of establishment in permanent divisions, and think it was increased by oversight in your No. 289 C., 29th February 1883.

The same number of lascars might be allowed as in the permanent divisions.

---

ORDER—dated 29th May 1883, No. 1511 W., Public Works.

In supersession of former orders on the subject, it will be understood that the office establishment allowed for the sub-divisions attached to temporary divisions will be on the same scale as that authorised for permanent sub-divisions, viz. :—

1 Clerk, IV Class, 3rd Grade.
1 Messenger on Rs. 6.

The number of lascars to be entertained for the temporary divisions and sub-divisions should also not exceed the limit allowed in the budget for *Permanent* charges of the same class.

(True Extract.)

(Signed) R. H. SANKEY, Colonel, R.E.,
Secretary to Govt., P.W.D.

To the Superintending Engineers, First, Second, and Sixth Circles.
" Chief Engineer for Irrigation.
" Examiner, Public Works Accounts.
