18TH JUNE 1883, No. 1709 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.  
Establishment.

READ—the following letter from G. T. WALCH, Esq., Officiating Superintending Engineer, First Circle, to the Examiner of Public Works Accounts, dated Dowlaishweram, 25th May 1883, No. 598 G.D. :—

With reference to the latter part of paragraph 283 (c) of the Public Works Code, which authorises advances to Overseers on the permanent establishment for the purchase of tents, I have the honor to request you will be good enough to let me know if this rule is applicable to Overseers on the temporary establishment in the Central Division, Godavari.

No. 316 S.E., 1st.

Endorsement on the above.

Referred to the Secretary to Government, Public Works Department, for favor of orders.

2. As no provision is made in the Public Works Code for advances to temporary Upper Subordinates for the purchase of tents, and as these advances are recovered in twelve equal monthly instalments commencing three months after the payment of the advance, it would appear that if these advances are at all admissible, they should only be granted in exceptional cases under the special orders of Government, as the limit of service for temporary Upper Subordinates is fixed at twelve months, subject to renewal every year.

7th June 1883.

(Signed) D. C. GORDON,  
Examiner, Public Works Accounts.

ORDER—dated 18th June 1883, No. 1709 W., Public Works.

Paragraph 283 (c) of the Public Works Code, authorising Superintending Engineers to grant advances to Overseers for the purchase of tents, is not applicable to subordinates on the temporary establishment.

2. If exceptional cases occur in which it is clearly advantageous to make some advances to temporary subordinates to enable them to take the field, the special sanction of Government should be applied for.

I am not at all sure that this rule is right. How long an man refused to likely to be employed? That is an important point. Granting sanction to S.R. to do as at his discretion & on his own responsibility hardly meets the case.

Apparently it would only be subordinates who are likely to be kept on for long periods who would require advances for tents - If the matter be left to the discretion & responsibility of Supply Engineer, they would doubtless grant the advances only to men in a position to pay up. Otherwise, the grant of such advances would apparently have to be prohibited altogether.

I could simply say that the rule is not applicable to men on the Temporary Establishment. If exceptional cases occur in which it is clearly advantageous to make some advances to Temporary sub. to enable them to take the field special sanction for such cases should be asked for.
