I HAVE the honor to request that you will be good enough to inform me whether the late Dindigul Division Office building can be sold to the Local Fund Board, or whether its retention by this department is necessary, as the President, Local Fund Board, Madura, inquires if the building can be sold ; and if so, for what price.

No. 94. From Lieutenant-Colonel J. BEATTY, R.E., Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 28th July 1880, No. 325 S.A.

WITH reference to your memorandum, No. 1,171, of the 21st April 1880, requesting to be informed as to how the buildings noted in the margin could be utilised, I have the honor to inform you that the Divisional Officer's bungalow at Tindivanam has already been rented to a Local Fund Overseer.

One Divisional Officer's bungalow at Tindivanam.
One Divisional Office at Tindivanam.

2. As regards the Divisional office at Tindivanam, I addressed the President, Local Fund Board, South Arcot, whether the Board would rent the building, as it would be useful as an Overseer's office, on condition that the buildings should be given back in good repair when required for a Government purpose. The President in reply states that the Board do not require the building.

3. Neither of the buildings have been formally handed over to the care of the Local Fund Board, and under the circumstances I request instructions as to the disposal of the buildings. I would suggest that Government offer them to the Local Fund Board without rent, on condition that the buildings are kept in repair and restored to Government at any future time should Government require them.

No. 95. ORDER THEREON, 30th August 1880, No. 2,053 W.

THE proposal made in the 3rd paragraph of the letter above read is approved.

2. If the Local Fund Board are unwilling to accept this proposal, the buildings should be sold by auction.

Sir,

With reference to letter No. 97 dated the 21st Ultimo of the Superintendent of Works G. Board

Board for its occupation by the Local Fund Department.

I do not think it necessary the Local Fund Board should pay any fixed rent, if the Government will make over the whole building for the joint occupation of the Dy. Assistant Collector and Local Fund Officer. The former wants more room, but no rent is paid for the portion now occupied by it. If, say, one-half the building is considered as in the occupation of the Local Fund Board, they can be charged with half the cost of the annual or other repairs for its upkeep.

No. 97. Endorsement of the Secretary to Government, Revenue Department, dated Ootacamund, 13th August 1881, No. 2,103.

Proceedings of the Board of Revenue, dated 15th July 1881, No. 1,399.

Read the following letter from J. STURROCK, Esq., Acting Collector of South Canara, to the Secretary to the Board of Revenue, dated Mangalore, 17th June 1881, No. 1,284:—

I HAVE this day reported on the petition of a Clerk of the Uppinangadi Taluk Cutcherry who had been dismissed for persistent disobedience resulting from his apparently not ill-founded belief that he would probably die if he returned to duty as ordered, and as my attention has thereby been directed to the fact that there is a danger of the transfer of the head-quarters of the taluk to Puttúr, as sanctioned in G.O., dated 15th March 1875, No. 419, being indefinitely delayed for want of a sum of at most Rs. 8,340, I have the honor to request that the Board will support me in begging the Government to make an effort to provide the money in the current year. The only allotment for Provincial Public Works in this district being on account of buildings already nearly completed, I am unable to suggest any local transfer.

2. The really urgent necessity for a change in the head-quarters is vividly depicted in Mr. Thomas' letter recorded with the Board's Proceedings, dated 20th October 1874, No. 3,051, and although one year is worse than another, it cannot be said that Uppinangadi is any more healthy now than when Mr. Thomas wrote. The year 1878 was a bad one, and there were as many as nine deaths in the Taluk establishment, viz.:—

One Revenue Inspector.	Three Peons.
Three Clerks.	One Batta Peon.
One Dufterbund.	

3. Though I have no statistics on the subject I have reason to believe that the mortality in the families of the taluk officials is even higher in proportion to numbers than among the officials themselves.

4. I have learned from the Sub-Divisional Officer of this Public Works Division that in G.O., dated 24th January 1881, No. 183 W., which does not seem to have been communicated to the Board, an estimate of Rs. 8,340 for converting the late Sub-Divisional office at Puttúr into a Taluk Cutcherry and constructing a Sub-Jail and latrine has been sanctioned for execution when funds are available, and of this amount I understand that Rs. 1,100 is on account of the latrine. As there is plenty of jungle and open ground about Puttúr, and the daily average of prisoners in the Uppinangadi

Taluk Sub-Jail is very small, the entertainment of a permanent sweeper would not be permissible under G.O., dated 13th August 1869, No. 1,330, Judicial Department, and I therefore think that the erection of a latrine is hardly necessary, in which case an allotment of Rs. 7,240 will be all that is required.

RESOLUTION—

SUBMITTED for the orders of Government.

2. Mr. Sturrock concurs with his predecessors, Messrs. Thomas and Webster, in urging the need for transferring the taluk head-quarters from Uppinangadi to Puttúr, and explains that the unhealthiness of the former place is fully established by the mortality amongst the servants of Government located there. That the change of site is desirable has long been admitted on all hands, and it is evident that the administration of the taluk must suffer from the evil repute of the Kasba station.

3. The Board support strongly the Collector's request that funds for the improvement of the buildings at Puttúr be allotted without further delay.

Board of Revenue
Madras.

Ootacamund 19th May 1883

Sir

With reference to the Board's Proceedings No. 4011 Mis. dated 16th May 1883, I have the honor to state that no order of Government can be traced sanctioning the transfer of the Sub-Divisional Office at Puttur to the Local Fund Board. In a list of Buildings circulated to Presidents of Local Fund Boards under this office No. 2314 dated 15th October 1880, I find that the "Old place of arms" at Puttur was noted as "available for transfer to the Local Fund Board"

but

* Enclosure returned

this building does not appear to be the same as the old sub-Divisional Office, inasmuch as in the Supg Engineer's letter on which the ~~last~~ list was based, the two houses are entered separately, the sub-divisional Office as "required by this Department, and the old place of Arms as "Can be transferred to the Local Fund Board"

Enclosed for reference - return requested

2. I have further to invite your attention to P.G Nos 1832 d/24th Jany 1881, and 2101 W dy 24 August 1881, sanctioning the conversion of the late Sub-Divisional Office into a Taluq Cutchery

PROCEEDINGS OF THE BOARD OF REVENUE.

Read—again the following Proceedings of the Board of Revenue, dated 16th May 1883, Miscellaneous No. 4011 :—

Abstract.—Requesting Government to furnish, for the Board's information, copies of any orders there may be in the Public Works Department sanctioning the Sub-divisional Office at Puttur, South Canara District, to the Local Fund Board.

Read—also the following letter from Major C. BOWEN, R.E., Under Secretary to Government, Public Works Department, to the Secretary to the Board of Revenue, dated Chepauk, 19th May 1883, No. 987-C :—

With reference to the Board's Proceedings,* No. 4011, Miscellaneous, dated 16th May 1883, I have the honor to state that no order of Government can be traced sanctioning the transfer of the Sub-divisional Office at Puttur to the Local Fund Board. In a list of buildings circulated to Presidents of Local Fund Boards under this Office No. 2314, dated 15th October 1880, I find that the "old place of arms" at Puttur was noted as "available for transfer to the Local Fund Board," but this building does not appear to be the same as the old Sub-divisional Office, inasmuch as in the Superintending Engineer's letter† on which the list was based, the two houses are entered separately—the Sub-divisional Office as "required by this department," and the old place of arms as "can be transferred to the Local Fund Board."

* Enclosure returned.

† Enclosed for reference ; return requested.

2. I have further to invite your attention to Proceedings of Government, Nos. 183 W, of 24th January 1881, and 2101 W, dated 24th August 1881, sanctioning the conversion of the late Sub-divisional Office at Puttur into a Taluk Cutcherry.

Read—also the following letter from J. STURROCK, Esq., President of the Local Fund Board, Canara Circle, to the Secretary to the Board of Revenue, dated Mangalore, 9th May 1883, No. 688 :—

As the construction of the Local Fund Dispensary building at Puttur sanctioned by the Board of Revenue in their Proceedings of the 2nd April 1883, No. 2731, Miscellaneous, cannot be completed until August next, and as the transfer of the institution from Uppinangadi to Puttur cannot conveniently be delayed until the height of the monsoon, the Local Fund Board have, at their meeting held on the 2nd instant, sanctioned the transfer and temporarily secured a building at Puttur for the purpose on a monthly rent of Rs. 1-8-0. I request the Board of Revenue will be pleased to accord their sanction to the arrangement.

A copy of the resolution of the Local Fund Board is enclosed.

Enclosure No. 1.

Extract from the Proceedings of the Local Fund Board, Canara Circle, dated the 2nd May 1883.

22. Read Uppinangadi Tahsildar's Ittilla, No. 113, dated 4th April 1883, requesting that orders may be issued for the early transfer of the Dispensary from Uppinangadi to Puttur and the President's order thereon.

Should be transferred as soon as possible. Rent, Rs. 1-8-0, to be paid until the building is ready.

RESOLUTION—dated 1st June 1883, No. 1539.

From the letter from the Under Secretary to Government, Public Works Department above read, it is observed that the "Sub-divisional Office" building and "the old place of arms" are two distinct buildings and not one as stated in paragraph 1 of the President's letter, dated 23rd April 1883, No. 580. The latter evidently is the building transferred to the Local Fund Board and proposed to be converted into a Dispensary. The Board request that Government will accord their formal sanction to the transfer of the building.

2. With reference to the President's letter, dated 9th May 1883, No. 688 above read, the sanction of Government is also requested to the immediate transfer of the Dispensary from Uppinangadi to Puttur. The proposal to rent a building at Puttur at Rs. 1-8-0 per mensem, pending the conversion of the "old place of arms" into a Dispensary, is sanctioned.
