GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following papers :—

From A. T. ARUNDEL, Esq., President of the Municipal Commission, Madras, to the Chief Secretary to Government, dated Madras, 20th November 1882, No. 1480.

Abstract.—Bringing to notice the dangerous state of the fishing villages of Tondiarpettah, Vurdencherry, and Cassimode, consequent on the encroachment of the sea, and suggesting the advisability of purchasing a piece of land in the neighbourhood said to be the property of the heirs of the late T. Soobaroy Chetty for the removal thither of these villages.

From R. J. MELVILLE, Esq., Collector of Madras, to the Chief Secretary to Government, dated Madras, 21st December 1882, No. 466.

Abstract.—Considering it inexpedient to purchase the site selected by the President, Madras Municipality, on the ground of the heavy expenditure that will have to be incurred, and stating that the Harbour Works Superintendent informs him that the fishermen and boatmen, ousted by action of the sea, can find sites to rebuild their huts on part of the land being acquired by Government under G.O., No. 1839 W., dated 18th July 1882, Public Works Department.

From A. T. ARUNDEL, Esq., President of the Municipal Commission, Madras, to the Chief Secretary to Government, dated Madras, 9th April 1883, No. 408.

Abstract.—Stating that he has again inspected the locality and finds that the spots marked A, A, A, on the plan submitted, which have been recently acquired by Government, would make an excellent fishing village, and that there is therefore no need to acquire the site originally proposed by him ; and suggesting the levy of a nominal ground-rent from each occupant.

From R. W. BARLOW, Esq., Collector of Madras, to the Chief Secretary to Government, dated Madras, 21st May 1883, No. 212.

Abstract.—Stating that he consulted the Master Attendant and Harbour Works Superintendent as ordered, and that they approve of the site marked A, A, A, on the sketch map for the location of the fishing village ; that the President, Madras Municipality, agrees with him that the area covered by Survey Nos. 3409, 3408, 3364, 3361, 3357, and 3353 will quite do for the purpose, and considering that 6 rupees a ground a year is a fair rental to be levied from the occupiers.

Order—dated 4th June 1883, No. 1096, Financial.

The Collector's proposals are approved.

letter from the Acting Registrar of the High Court of Judicature at Madras, Appellate Side, dated 29th May 1883 No. 1966—

In reference to the proceedings of Government No. 1057, Mjst; dated 16th February 1883, I am directed to say that inasmuch as the re-arrangement of jurisdictions in Tanjore is now under consideration by a Committee, the Court postponed replying to your communication.

2. Should the Subordinate judgeship at Kumbakonam be abolished, the Court House now occupied by the Subordinate judge would be available for the Munsiff; but if the Subordinate judgeship is retained, the Court, as at present advised, sees no objection to the erection of a Munsiff's

Court

Court on the site proposed by the Board of Revenue.

3. The Completion of the Court House at Mayaveram for the accomodation of the Munsiff has been already recommended by the Court and approved by His Excellency the Governor in Council, (Judicial) No 200, January 30th 1883.
