5TH CIRCLE,

To

THE Chief Engineer
D.P.W.

SIR,

Enclosures.

I have the honor to recommend that a decision may be given, that the Lascars attached to Officers and Subordinates of the P.W. Department, may be held as not coming within Item 17 Schedule B of the Civil Travelling Allowance Code.

2. By para 21 Exception 1, the pay of all persons named in Schedule B is supposed to have

have been fixed so as to compen-
-sate for the cost of ordinary
journeys - But the grant of
travelling allowances to Lascars
was confirmed vide G. O. No.
3447 dt of the 30th December 1882.

Again the Lascars are not enter-
-tained expressly for Service in
the field, and therefore they
properly belong to the 4th Class of
Officers, who are entitled to tra-
-velling allowance, under para 30(c)
of the Code.

3. At present the Examiner
of P. W. Accounts is disallowing
the claims.

I have the honour to be

The Chief Engineer
Public Works Department,
Madras.

Sir,

I have the honor to request that you will be good enough to move Government to grant Travelling allowance to the Lascars attached to Offices in the Public Works Department.

T.A.T.W. of 30/12/82

2. Travelling batta has been drawn for these men up to the 31st March, but has been disallowed by the Examiner for April, under Section 21 exception 1, and entry № 17 in Schedule B of the Civil Travelling allowance Code.

3. Prior to October 1878, all Lascars in the Public Works Department received Rs 7 per month, but on the reorganization

of the Department, ordered in G. O. No. 367 of the 18th September 1878, the Lascars pay was reduced to Rs 6, but batta for the time passed in Camp was authorised, at the rate of $\frac{3}{10}$ of the Salary per month, and I think it would be very hard to cut off this batta peremptorily.

4. I beg therefore that the batta to Lascars heretofore allowed may be specially sanctioned.

I have the honor to be,

Sir,

Your most Obt Servant.

I. W. Rundall

Superintending Engineer,
