Mr. Lincoln, ^{also who is now} clerk IVC 3^d

to revert to his permanent
position of clerk IVC 2^d grade.
with salary Rs 30 to 40. This
being his second year in that
grade he would be entitled
to Rs 34 per mensem from

The case should,

For favor of order.

The point is whether
Messrs. Upshon, Smith & Lincoln
on reversion to their former grade
in this office, should now draw
the salary they were in receipt
of at the time of their promotion
or the amount they would now
have been drawing had they not
been promoted & had been granted
the usual increments.

There will I presume be no objection to granting them the latter, but
his formal question to the increments will doubtless be necessary to

produced the accompanying
Last Pay certificate which he
obtained from the Salt Dept -

Had he continued in this office till
now and rendered approved service,
he would be drawing Rs 154/.

Mr E. A. Smith, clerk 11 class
2nd grade was promoted to 11 class 2nd
