GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from Lieutenant-Colonel P. MONTGOMERIE, R.E., Superintending Engineer, Tank Division, to the Chief Engineer for Irrigation, dated Chepauk, 8th June 1883, No. 115 :—

I have the honor to report that I have commenced the investigations of the requirements of the tanks, &c., in the Upper Vaigai Valley in the Periyakulam and Dindigul Taluks, Madura District, and to request that you will be so good as to obtain the sanction of Government for the entertainment of the establishment for the Tanks Division in anticipation of the sanction of the Government of India, and that funds to meet the cost of the entire establishment may be allotted from the provision for Temporary Establishment.

No. 43 E.W.

Forwarded to the Chief Engineer, Public Works Department, with the recommendation that the Superintending Engineer may be authorised to entertain the establishment for the Tank Division in anticipation of the sanction of the Government of India.

2. Funds to meet the cost of the entire establishment may be appropriated from the provision for Temporary Establishment.

OOTACAMUND,
14th June 1883.

(Signed) A. S. RUSSELL,
for Chief Engineer for Irrigation.

2/1812

ORDER—dated 27th June 1883, No. 1812 W., Public Works.

Referring to paragraph 3 of Government of India No. 741 G., dated 21st May 1883, printed with G.O., No. 1700 W., of the 16th June 1883, the Superintending Engineer, Tank Maintenance Scheme, is authorised to entertain within the approved scale * the temporary Upper Subordinate and Office Establishments required for the project. Appointments of Upper Subordinates should be reported to the Chief Engineer for confirmation.

* Copy attached.

2. The funds required for the current official year will be appropriated on the exact amount required being intimated in each case.

3. This sanction has been registered as Provincial No. 29 W. of 1883-84 and classified as Establishment, Temporary. It lapses at the end of March 1884.

(True Extract.)

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from Lieutenant-Colonel P. MONTGOMERIE, R.E., Superintending Engineer, Tank Division, to the Chief Engineer for Irrigation, dated Chepauk, 30th April 1883, No. 58:—

In continuation of my letter, No. 53, dated 27th April 1883, I have the honor to submit a list of my office establishment so far as has been entertained up to date, and to request you will be so good as to have Messrs. Fonceca and Gomes exempted from passing the tests for draftsmen and clerks respectively.

2. Mr. Fonceca, who is debarred by age as well as being an unpassed man, was some time ago temporarily employed in the drawing office of the Consulting Architect to Government, and as he is an intelligent and neat draftsman, I have taken him on in anticipation of your having him exempted from passing the prescribed test for draftsmen.

3. The latter, Mr. Gomes, who is for the same reasons debarred, was for a considerable time employed in the office of the Chief Engineer and Manager of the late Madras Irrigation and Canal Company, and he was thrown out of employ by the reduction of the staff after the canal was purchased by Government. I have entertained him in anticipation of your having him exempted from passing the test for clerks.

4. Mr. Baldrey, who is the subordinate head of my office, has not passed the Code examination, but in every other respect he is eligible for the appointment he is holding, and I beg therefore that he may be exempted from passing the Code test in order to enable the Examiner to audit his salary without any remarks. He has a sufficient knowledge of the Code to conduct the duties of the appointment he is at present holding, and he is now busily engaged assisting me in organizing the new Tank Division offices, &c.

5. With the exception of Mr. Baldrey's case, the others will only be exempted while serving in the Tank Division offices. Similar concessions have been allowed to the temporary establishment engaged in the survey operations of the Bellary State Railway—*vide* G.O., No. 304 R., dated 5th April 1883.

No. 35 E.W.

Forwarded to the Chief Engineer, Public Works Department.

2. The restriction regarding age for admission into Government service does not apply to the members of the temporary establishment, as their services do not count for pension.

3. It is recommended that the Examiner of Public Works Accounts may be authorised to pass the pay of Messrs. W. Fonceca and W. T. Gomes, without reference to the examination rules, while employed in the office of the Superintending Engineer in charge of the Tank Divisions.

4. It is also recommended that the Examiner of Public Works Accounts may be authorised to pass Mr. Baldrey's pay, during his employment on the temporary establishment, without reference to the Public Works Code Examination, which he should, however, pass before the expiry of his temporary service.

OOTACAMUND,
16th May 1883.

(Signed) J. O. HASTED, Colonel, R.E.,
Ag. Chief Engineer for Irrigation.

To the Chief Engineer, Public Works Department.

ORDER—dated 28th May 1883, No. 1495 W., Public Works.

Communicated to the Educational Department for favorable consideration with respect to Messrs. Fonecca and Gomes.

2. Mr. C. T. A. Baldrey is exempted from the Public Works Code Examination on the condition stated by the Chief Engineer for Irrigation.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from G. H. W. WALKER, Esq., Officiating Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 21st May 1883, No. 741 G.:—

		RS.	
2 Executive Engineers	... ...	650	each.
1 Assistant Engineer	... ...	450	
1 Sub-Engineer	... ...	300	

In reply to your letters, Nos. 1134 W. and 1212 W., of 16th and 23rd April 1883, I am directed to communicate sanction to the temporary establishment marginally noted, required for dealing systematically with the tank system for the period of one year, and to state that should it become necessary to retain the establishment in question for a longer period, application should be made for renewal of sanction three months before the expiry of the present sanction.

2. As regards the appointment of a Superintending Engineer for this work, I am to remind you that a Superintendent of Works, and not a Superintending Engineer, has already been sanctioned by the Government of India in Public Works Department, No. 459 G., of 19th March 1883, and you were informed in Public Works Department letter, No. 502 G., of 4th April 1883, that the local Government was at liberty to employ one of its Superintending Engineers on this duty if it was considered necessary, filling up his place by a Superintendent of Works; no further orders are therefore required on this point.

3. The rest of the temporary establishment to which sanction is asked can be sanctioned by the Madras Government under Public Works Code, I, 88.

4. As regards appointment of officers to fill these posts, I am to refer you to paragraph 2 of Public Works Department letter, No. 742 G., of 21st May 1883, and to add that the present sanction must not be taken as affecting the question of the strength of the permanent establishment which is being separately considered.

ORDER—dated 16th June 1883, No. 1700 W., Public Works.

Communicated to officers concerned.

2. The Superintending Engineer will at the proper time report on the subject of paragraph 1 of the foregoing letter.

3. The question of the provision of the necessary Engineer Establishment for the project will be dealt with separately.
