READ—the following letter from Lieutenant-Colonel W. H. BURTON, R.E., Executive Engineer, Presidency Division, to the Superintending Engineer, Fifth Circle, dated Bangalore, 1st June 1883, No. 1553 :—

I have the honor to request that Overseer Govind Rao may be allowed double horse allowance on account of his having to travel ten or twelve miles daily to and from office and works.

2. He is now in charge of the repairs, &c., to Mylapore and Nungumbaukum Tanks, Government Central Museum, and buildings in the vicinity thereof, and so, since Conductor Pearson's departure, unrelieved, on sick leave, this Overseer's duties have greatly increased both in amount and in the distances he has daily to travel over. As he works hard, and is generally a careful man, I recommend he be allowed double horse allowance under the circumstances described above.

No. 1004.

Endorsement on the above.

Submitted to the Chief Engineer, Public Works Department, for sanction under Rule 6, Section 28, of the new Travelling Allowance Code.
