Letter from the S.E. Fifth Circle (N.E. No. 1088 of 19th June 1883)

Under the circumstances Explained by the Supdg. Engineer, the Munshi Allowance of Rs 180-/ maybe passed to Supervisor Sub-Conductor Kelly, for passing the lower Standard in Hindustani - The case is Exceptional, and no precedent can be established by it.

Sub. Conductor Kelly claims "munshi allowance" for passing in Hindustani in April last. C disallowed the claim under G.O. 456 W of 10th Feby 1883, under which Hindustani is no longer considered as a Vernacular of the Presidency entitling one to rewards for study. R.

I think however it might be passed to Sub.Cr. Kelly as an exceptional case inasmuch as he did not see the order till end of February + had been studying Hindustani since August previous.

He might perhaps have represented the case then + there + asked permission to go up in April, instead of waiting passing + then urging this Claim.

Cr 20/6

May be passed — If the C objects it is of course open to him to refer to the S of S. - The case is Exceptional and this can lead to no Precedent -

language of this Presidency.

2. The Sub Conductor had seen this order before the end of February; but he urges, that he had bought books, and engaged a Munshi from the previous August, so that he had been put to a good deal of expense before the order was circulated. He also states that he found some of the Coolies and Cartmen at Bangalore spoke Hindustani, and he chose that language for study.

3. This being probably the only case that could be referred for orders, I beg to submit for your consideration, whether the Munshi Allowance Rs 140, may not be passed to Sub Conductor Kelly.

He might perhaps have represented the case then & there & asked permission to go up in April, instead of waiting passing & then urging this Claim.
