READ—the following letter from Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 16th June 1883, No. 1041 :—

In G.O., No. 690 W., of the 3rd March 1883, the final orders are passed on the grant of famine concessions to Officers and Non-commissioned Officers of the Royal Engineers. I have, however, received applications on behalf of Warrant Officers of the department and Civil Upper Subordinates, who consider they are entitled to the same concessions.

2. The Warrant Officers have been told that the special concessions to the Royal Engineers are not granted to them. But they wish to know whether a mistake has not been made; and if not, they desire that the fact of their intentional exclusion may be definitely stated.

3. I have not been able to explain why it is that by the Secretary of State's despatch, No. 433, of the 22nd December 1881, the concessions are given to the Royal Engineers only, and I have the honor to request that I may have your authority for giving a definite answer to the applications.

ORDER—dated 2nd July 1883, No. 1835 W., Public Works.

The bonus authorised in the Secretary of State's despatch, No. 433, dated 22nd December 1881, is limited expressly to Non-commissioned Officers (a term subsequently interpreted by the Government of India to include Warrant Officers) of the Royal Engineers who were employed on famine relief duties.

2. Moreover, under letter from the Government of India, No. 15 F., dated 13th February, communicated with G.O., No. 690 W., dated 3rd March 1883, the grant is restricted to those who did not receive the benefit of one or other of the concessions referred to in G.O., No. 2840, dated 10th November 1879, these concessions having been extended to all officers and subordinates of the department employed on famine relief works who were specially recommended.

3. Ordered that a copy of these Proceedings be forwarded to the Government of India for information.
