READ—the following letter from Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 20th June 1883, No. 1113 :—

I have the honor to submit, for sanction, an estimate of Rs. 2,275 for constructing a first-class Police Station-house at Ráyapuram, in Madras, on the standard design circulated with G.O., No. 1828 W., dated 2nd August 1880.

3 Plans.	
1 Abstract Estimate.	
1 Specification.	

2. I am not aware whether the Inspector-General of Police has entered this work in his list of Minor New Works to be carried out during the current official year.

ORDER—dated 2nd July 1883, No. 1838 W., Public Works.

The estimate, amounting to Rs. 2,275, for constructing a first-class Police Station at Ráyapuram, Madras, is sanctioned for execution when funds are available.

2. The work has not been included by the Inspector-General of Police in his list of Minor New Works to be carried out during the current official year.

3. A standard plan of buildings of this description having been lithographed and circulated to officers of the department with G.O., No. 1828 W., dated 2nd August 1880, there has apparently been a waste of time and labor in preparing the large tracings submitted with the present estimate. Under paragraphs 258 and 1108 of the Public Works Code, moreover, only an abstract estimate with the Superintending Engineer's report need be submitted to the Chief Engineer in the case of new works not exceeding Rs. 5,000.

4. This sanction has been registered as Provincial No. 66 W. of 1883-84 and classified as Civil Buildings, Original Works.

Police Station House at
Rajapooram - Submitting
for sanction an estimate of
Rs 2275 for constructing a
1st class -

note 25/6 Rs 2275
Oct 13/9.6

Sanction. Appropriation
to be made when funds are available.
As noticed by the increased
population of Ambar - 1 mile north
must be done to population.
I think there is a lithographed
detailed plan of such building
(Standard) & therefore apparently
there has been waste of time & labour
in preparing the large drawings.

NOTE OF REMARKS.

1. The estimate, with plans
herewith submitted provided
for the construction of a 1st
class Police Station, Rajapooram.
Amount of estimate is
Rs. 2,275.
2. The abstract of estimate
now submitted does not
exactly accord with the
standard estimate but
the excess in concrete
is no doubt to be attributed
to an increased depth
of foundation. There is an
increase also in brickwork
probably owing to the same
cause. Details have not
been furnished as the
amount of estimate is
below Rs 5000. The work
may be completed 6 months
after sanction.
3. The estimate has been
countersigned by the Com-
missioner of Police.
