READ—the following paper:—

G.O., dated 28th May 1883, Mis. No. 1393, Judicial.

Read—the following letter from the Registrar of Nellore, to the Inspector-General of Registration, Madras, dated 3rd May 1883, No. 155:—

The Executive Engineer of Nellore informs me that as no funds have yet been allotted for the work, the construction of the new Sub-Registrar's Office at Kandukúr, sanctioned in G.O., No. 2738 W., dated 20th October 1882, has not been commenced. I was in hopes that the necessary appropriation of funds will be made at the commencement of the present official year, and if it has not been already made, I beg you will kindly arrange for the same, through Government, at an early date. The present accommodation at Kandukúr, as you have personally observed, is very inconvenient, the Sub-Registrar doing duty in a shed outside the Taluk Cutcherry, where in a small room the records are secured. Besides the difficulty of moving current records to and fro, the Sub-Registrar is not in a position to exercise a proper supervision over his record-room, which, under the circumstances, must necessarily be inconvenient.

T. No. 997.

Endorsement on the above.

Submitted, with extract from my notes of inspection, for the orders of Government.

OOTACAMUND,
7th May 1883.

(Signed) G. HAMNETT,
Inspector-General of Registration.

Order—dated 28th May 1883, Mis. No. 1393, Judicial.

Communicated to the Public Works Department, with reference to Order in that Department, dated 20th October 1882, No. 2738. It is hoped an early allotment of funds will be practicable.

(True Extract.)

(Signed) M. HAMMICK,
Acting Assistant Secretary.

ORDER—dated 18th June 1883, No. 1716 W., Public Works.

The reserve at the disposal of Government for Registration buildings has been allotted to the incomplete works of 1882-83, and as no other funds are at present available for the construction of the Sub-Registrar's Office at Kandukúr, in the Nellore

District, the Inspector-General of Registration will, if he considers the work of greater urgency than any of those entered in the Provincial Budget for 1883-84, Item No. 52 to 60, submit proposals for a redistribution of the budget programme.
