GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ— the following papers:—

From Colonel H. D. CLOETE, Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 28th May 1883, No. 2668.

In accordance with G.O., No. 261 W., dated 23rd January 1883, Public Works Department, I have the honor to forward, for the approval of Government, the accompanying list (A) of sanctioned works (costing each more than Rs. 1,000 and less than Rs. 2,500) which it is proposed to carry out by the agency of the Public Works Department from their budget allotment (Rs. 10,000) during the current official year.

2. It will be seen that the total cost of the most urgent requirements rises to Rs. 14,199, or Rs. 4,199 beyond the allotment, and, should no supplemental grant be available to meet this excess, I would propose to include the items composing it in the list of Incomplete Public Works Department Works * as detailed in the Remark Column of the Statement A. The four station-houses shown in the list have been completely provided for, and the disparity between the entire cost of the proposed operations and the funds at present available for them will have the sole effect of deferring the construction of some of the huts, and need not result in the more important structures being left exposed in an unfinished state until the receipt of funds in the following year. I request, therefore, should this arrangement be accepted, that sanction may be accorded for the inclusion, in the statement of Incomplete Public Works Department Works for 1884-85, of the balances required for the completion of the blocks of huts.

* Due in April 1884.

3. I beg to forward also a statement marked B, containing a list of sanctioned works, amounting in the aggregate to Rs. 19,912, for which (although they fall but little behind the others in point of urgency) no appropriation of funds has been found possible this year. Under the circumstances detailed, perhaps, it might not be considered inexpedient that the sum usually allotted to this department in the Public Works Department budget may, for 1884-85, as a special case, be considerably increased, if not doubled, in order to enable us to keep pace with our present requirements.

From Major C. BOWEN, R.E., Deputy Chief Engineer, Public Works Department, to the Inspector-General of Police, dated 31st May 1883, No. 1039 C.

With reference to Statement A which accompanied your No. 2668 of the 29th instant, I have the honor to observe that, with the exception of two works, Nos. 5 and 9, the works entered are all new works; and since there are some eight works incomplete at the close of 1882-83, and which require funds to complete them, I enclose, for your information, a statement, drawn up from the returns furnished by the Superintending Engineers, and request you will be so good as to note in column 2 the grants which you would assign for 1883-84 towards their completion.

2. There are no funds at present under reserve with Government which can be allotted for the several incomplete works of last year, and funds for their completion must come out of the Rs. 10,000 provided for Police buildings costing above Rs. 1,000 and under Rs. 2,000 each, in the Provincial Budget, Item No. 47.

3. When funds are limited, as they are, it is as a rule, desirable to complete all unfinished works before assigning the amounts available to altogether new works.

From Colonel H. D. CLOETE, Inspector-General of Police, to the Deputy Chief Engineer, Public Works Department, dated Madras, 13th June 1883, No. 3034.

As desired in your letter, No. 1039 C., dated 31st ultimo, the enclosure of which I herewith return, I have the honor to forward a revised list for the appropriation of the Public Works Department budget allotment for Police works (costing more than Rs. 1,000 and less than Rs. 2,500 each).

2. Two sums of Rs. 164 and 253 are required respectively for the completion of the well in the compound of the Assistant Superintendent's house at Tirukoilúr (Item No. 7 in your statement) and the Lapatchy station-house, Anantapur District, (not in the statement). The cost of each of these items being less than Rs. 500, no specific appropriation is necessary. These amounts, therefore, are not debited against the Public Works Department allotment.

3. The Superintendent of Police, Godávari, reports that the Superintending Engineer, First Circle, requires a sum of Rs. 3,110 during the current official year in order to complete the Police Headquarter Office at Rajahmundry (revised estimate Rs. 16,060, G.O., No. 1778 W., dated 13th July 1882, Public Works Department). This being a Major Police Work, the Public Works Department should have secured a *separate* provision for it in their budget for 1883-84, and as no portion of the allotment under reference is available for the purpose, the work, though an incomplete one, has been omitted from the revised list.

4. It will be seen by a reference to my lists A and B, now before Government, that sanctioned estimates for new works, amounting in the aggregate to Rs. 29,434, must, under the present arrangement, stand over *sine die* for want of funds. It seems to me therefore expedient, under the circumstances, to discontinue the submission, for Government sanction, of estimates for similar buildings until the present sanctioned estimates are worked off. I may remark that, according to the existing rate of the annual grant for the class of buildings under consideration, it will take three years to do this, unless a special allotment be added in the Public Works Department budget for next year.

5. Regarding the construction of the Assistant Superintendent's Office at Tirukoilúr (Item No. 9 in your statement), for which only Rs. 1,101 have been apportioned from the Public Works Department allotment of Rs. 10,000 (leaving a balance of Rs. 1,254 still to be provided), I beg to invite attention to G.Os., Nos. 435, dated 9th June 1882, Judicial Department, and 578 N., dated 27th June 1882, Financial Department, from which it will be seen that the old office of the Assistant Superintendent of Police was transferred to the Registration Department at a valuation of Rs. 1,254, a sum which, I submit, represents a distinct item to our credit, and which I request may be placed at our disposal in order that it may be employed as a supplementary resource for the work in question.

Order—dated 3rd July 1883, No. 1847 W., Public Works.

The accompanying statement, prepared in the Public Works Secretariat, of sanctioned Police works, costing above Rs. 1,000 and under Rs. 2,500 each, includes the incomplete works at the close of March 1883 requiring funds for their completion. The grant of Rs. 10,000 in the Provincial Budget for 1883-84, Item No. 47, has been appropriated to the works brought forward by the Inspector-General in the statement submitted with his letter, No. 3034, of the 13th June 1883.

2. The grant required to complete the Police Headquarter Office at Rajahmundry, viz., Rs. 3,110, was appropriated in G.O., No. 1641 W., dated 12th June 1883.

3. The Inspector-General of Police is mistaken in supposing that the Police building at Tirukoilúr, in the South Arcot District, was transferred to the Registration Department at a valuation. Paragraph 2 of G.O., No. 435, Judicial, of the 9th June 1882, was cancelled by Financial G.O., No. 578 N., dated 27th June 1882, and the

provision of funds for the construction of an office for the Assistant Superintendent of Police at that station was left to the Public Works Department. The sum of Rs. 1,254, which will be required for the completion of the building in addition to the grant now made, will, if possible, be allotted later in the year on application to be made by the Superintending Engineer.

4. Referring to paragraph 4 of the Inspector-General's letter, No. 3034, dated 13th June 1883, the allotment for Police buildings, costing above Rs. 1,000 and under Rs. 2,500 each, will be increased to Rs. 15,000 in the Provincial Budget for 1884-85, if sufficient funds be available.

No. 93.

READ—the following letter from Colonel H. D. CLOETE, Officiating Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 3rd July 1882, No. 3347 :—

I have the honor to forward, for the consideration and orders of Government, the accompanying revised plan, with a supplemental estimate, amounting to Rs. 2,000, for the construction of a school-room in connection with the proposed Head-quarter Office at Rajahmundry in 1882-83.

2. The original sanctioned estimate for the Head-quarter Office (without the school-room) amounts to Rs. 14,060,* and the supplemental estimate increases it to Rs. 16,060. In G.O., No. 104 W., dated 12th January 1882, Public Works Department, an allotment of Rs. 14,060 was made on account of this work in 1882-83, but as Rs. 2,500 were expended on this work in 1881-82, so much less is required this year, and the Superintending Engineer has surrendered the amount as not being required. If this money has already been transferred to the Reserve, I request that sanction may be accorded for the allotment of Rs. 2,000 from that head for the supplemental estimate for the Head-quarter Office, Rajahmundry.

* *Vide* G.O., No. 2648 W., dated 26th June 1878, Public Works Department.

3. The work is to be carried out by the Public Works Department, but the papers are forwarded *direct* to save delay, the first quarter of the official year having already elapsed.

No. 94.

ORDER—dated 13th July 1882, No. 1778 W., Public Works.

The estimate for constructing a school-room in connection with the Head-quarter Office at Rajahmundry, approved of by the Officiating Inspector-General of Police, is sanctioned for Rs. 2,000 as supplemental to the estimate for Rs. 14,060 sanctioned in G.O., No. 2648 W., of the 26th June 1878.

2. Rs. 11,560 are provided for expenditure during the current official year for constructing Police Head-quarter Offices at Rajahmundry, and the Superintending Engineer will apply for further funds, if required, later in the year.

3. This sanction has been registered as Provincial No. 54 W. of 1882-83 and classified as Original Works, Civil Buildings.

READ—the following papers :—

From Colonel H. D. CLOETE, Officiating Inspector-General of Police, to the Secretary to Government, Public Works Department, dated Madras, 20th July 1882, No. 3673 :—

With reference to G.O., No. 1705 W., dated 7th instant, Public Works Department, I have the honor to point out that a sum of Rs. 996 was sanctioned * from the "Reserve" for completing the alterations and additions to the Police Station-house at Cuddapah in 1881-82, out of which Rs. 88 only appear to have been utilised last year and the balance (Rs. 908) probably lapsed to the "Reserve." This sum should therefore be a charge against the "Reserve" of 1882-83, in the same way as the sums (Rs. 754 and 1,620) sanctioned for completion of the works in the Nellore and Trichinopoly Districts, (Items Nos. 8 and 33,) respectively entered in the statement furnished with the Government Order in question. But it is now found appropriated from the Rs. 10,000 (Budget Item No. 36), which sum has been found insufficient for sanctioned emergent new works (uncommenced) as shown in my letter No. 3410, dated 6th July 1882.

* *Vide* G.O., No 594 W., dated 8th March 1882, Public Works Department.

2. A further sum of Rs. 1,020 for completion of works named in the margin is required this year and the works are not found in the statement under reference. The first item (Rs. 433) was probably omitted being less than Rs. 500, for which no specific appropriation is necessary under the rules, and the latter (Rs. 587) should come out of the "Reserve" as well as the work is to be completed by the Department Public Works.

	Rs.
Anantapur District.	
1 Station-house at Lapatchy, G.O., No. 1293, dated 1st July 1881, Judicial Department	433
North Arcot District.	
1 Station-house at Davalumpett, G.O., No. 1261 W., dated 28th June 1881, Public Works Department	587
Total ...	1,020

3. With reference to the appropriation of Rs. 1,125 (Item No. 41) from the Budget Item No. 36 (Rs. 10,000), for five Police huts at Andimadam in the Trichinopoly District, it will be observed that this money was previously sanctioned for appropriation from the "grant for Minor Works" (Budget Item No. 46), *vide* paragraph 2 of G.O., No. 883 W., dated 3rd April 1882, Public Works Department. Thus there appears to be a double appropriation for the same work in one year. This work was consequently omitted from the List A submitted with my letter quoted in paragraph 1 above for appropriation of the Rs. 10,000.

4. A sum of Rs. 1,050 is also appropriated for five huts at Yellumallai, Madura District, from the Budget Item No. 36. This work was also omitted from my list

recently submitted to Government, the Superintendent having intimated that there are no works to be provided for from the Department Public Works Budget this year, and it may be included in the List B (showing works for which no appropriation can be made in 1882-83) which accompanied my letter No. 3410 of 1882, quoted above. This work was not commenced last year for want of a site, and it is not yet known whether one has been secured for the purpose. The money thus set free is recommended for the works named in my List A above.

5. Further two items (Rs. 1,197 and 1,017) for four Police huts at Manúr (entered as Marúr in the statement Item No. 43) and for as many at Pavur (Item No. 45) respectively in the Tinnevelly District, have been shown for appropriation this year, which will be found omitted from my List A and included in that of B for want of sufficient funds in 1882-83.

6. A list of works for appropriation of Rs. 10,000 referred to was called for by Government, and it was submitted on the 6th instant, the necessary information having been first obtained from districts. In the absence of this list the several appropriations mentioned above appear to have been sanctioned. I request that necessary alterations may be made and appropriations, according to my List A, be sanctioned, with a view to equal distribution of available funds to several districts, according to importance of works included therein, should Government see no objection to this measure.

7. Should the proposals herein made meet with the approval of Government, I request that fifteen copies of sanctioned revised list (A) with orders thereon may be furnished to this office for distribution to the officers concerned.

No. 60-A.

From Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 25th July 1882, No. 1562:—

I have the honor to bring to your notice, with reference to G.O., No. 1776 W., dated 13th July 1882, that funds * are not provided for the Police Station-house at Valathee in the South Arcot Division, as contemplated in G.O., No. 1072 W., dated 1st May 1882.

* Rs. 1,115.

2. There is also a demand for Rs. 2,120 for a Police Hospital ward and latrine at Tirukoilúr in the same division, for which work it was intended in G.O., No. 19 W., dated 4th January 1881, that funds should be provided from the Provincial Reserve of 1881-82.

No. 60-B.

From the same Officer, dated Chepauk, 4th August 1882, No. 1680:—

With reference to my letter No. 1562 of the 25th ultimo, I have the honor to report that I made a mistake in not representing that funds were provided for—

	Rs.
Police Station-house at Valathee in South Arcot	1,115
Police Hospital ward, &c., at Tirukoilúr	2,120

These two works were contemplated in my statement of requirements of funds dated 10th March 1882, and the amount, Rs. 3,235, is included in the allotment of Rs. 3,435 given in G.O., No. 1209 W. of the 12th May 1882.

2. I do not however feel quite sure whether Police works costing less than Rs. 2,500 each are meant to be carried out only from the provision of Rs. 10,000 in the Provincial Budget for 1882-83. I therefore request that I may be informed if the two sanctioned works may be carried out upon the grant of Rs. 3,435 under Provincial Minor New Works, Civil Buildings.

No. 61.

ORDER—dated 8th August 1882, No. 2017 W., Public Works.

The transfers of Rs. 907, 1,125, 1,050, 1,197, and 1,017, made in the statement printed with G.O., No. 1705 W., dated 7th July 1882, from Budget Item No. 36, to the following works, are cancelled:—

Do. Do. do. at Pavúr	1,017

2. On the recommendation of the Inspector-General of Police, the following appropriations are made from the sum of Rs. 10,000 provided in the budget for Police works costing above Rs. 1,000 and below Rs. 2,500 each, Item No. 36:—

	Rs.
Presidency.—Alterations and improvements to the Station-house at Mylapore, G.O., No. 2571 W., dated 20th October 1881, and No. 2803 W., dated 11th November 1881	1,540
Ganjam.—Station-house at Moojagadu, G.O., No. 1332 W., dated 10th May 1879	340

South Arcot.—Station-house at Velathee, G.O., No. 1072 W., dated 1st May 1882	1,115
Total ...	6,710

Add amount already appropriated for the following works:—

	Rs.
Station-house at Ongole, *vide* G.O., No. 1454 W., dated 10th June 1882	1,880
Four huts at Etaiyápuram, *vide* Item No. 46 of the statement printed with G.O., No. 1705 W., dated 7th July 1882	1,410
Total ...	10,000

3. The amount required to complete the station-house at Lapatchy being below 500 rupees, no specific appropriation of funds is needed.

4. The following appropriations of funds are made from the Provincial Reserve:—

	Rs.
(1.) Alterations and improvements to the Police Station-house at Cuddapah. Estimate of Rs. 2,001, sanctioned in G.O., No. 594 W., dated 8th March 1882	907
(2.) Completing the Station-house at Davalumpett. Estimate Rs. 870, sanctioned in G.O., No. 27 W. of 4th January 1878	587

5. The sum of Rs. 1,125, appropriated in G.O., No. 1705 W., dated 7th July 1882, for constructing five Police huts at Andimadam having been cancelled by paragraph 1 of this order, the Inspector-General of Police will suggest how funds are to be provided for this work. In G.O., No. 883 W., dated 3rd April 1882, this work was ordered to be carried out from the Minor Works grant of the Trichinopoly Division, but as the grant was only Rs. 250 funds could not have been provided from that source.

6. The sum of Rs. 3,235, alluded to in letter No. 1,680 from the Superintending Engineer, Fifth Circle, as having been included in the allotment made in G.O., No. 1209 W. of 12th May 1882, under Minor Works, Civil Buildings, for the Police Station at Velathee, and for the Police Station ward at Tirukoilúr, is withdrawn and

credited to the Provincial Reserve. Rs. 1,115 have been appropriated above for the first work from Budget Item No. 36, and the second work is one of those which the Inspector-General of Police wishes to have carried out in 1883-84.

Remarks in regard to the percentages of Establishment charges on the expenditure in connection with Irrigation Works, being an extract from the Note which accompanied the Irrigation Budget Estimates for 1883-84.

25. The statement marked D, which has been prepared with reference to the Government of India letter No. 381 A.G., dated 30th November 1882, communicated with G.O., No. 3324 W., dated 15th December 1882, shows the following rates of percentage which the charges for establishment bear to the expenditure on works and repairs :—

—	Actuals for 1881-82.	Regular Estimate for 1882-83.	Budget Estimate for 1883-84.
Imperial.			
Productive Public Works	38·84	51·37	43·17
Irrigation and Navigation, Agricultural Works.	28·68	20·42	17·69
Provincial.			
Irrigation and Navigation Works	27·49	27·02	26·99

The establishment charges are not based on the cost of establishment actually employed on the works, but on fixed rates of percentage calculated on outlay and revenue up to the end of 1881-82 ; the rate of percentage on expenditure was 25, and in the case of Productive Public Works, Capital Account, the charge was calculated on the actual expenditure on works, exclusive of land compensation, and in the case of other works on the grant or outlay, whichever was greater. The cost of the following establishments was also charged to Irrigation :—

(1) Chief Engineer for Irrigation and his Establishment.
(2) Temporary Survey Establishment.
(3) Water Regulation, Navigation and River Conservancy Establishment.
(4) Special Revenue Investigation Establishment.

From the 1st April last the rate of percentage on outlay has been reduced from 25 to 23, and the following rates of percentages on revenue have been fixed in lieu of the cost of the special establishments :—

10 per cent. on revenue collected in the Public Works Department.
6 per cent. on revenue collected in the Revenue Department from the Productive Public Works.

The percentage charge is not calculated on outlay for repairs to Minor Irrigation Works under the charge of Collectors, and therefore the average rate of establishment charges for 1882-83 and 1883-84 for Irrigation and Navigation and Agricultural Works is less than 23 per cent. The cost of establishment actually employed in the Project Divisions for the investigation of projects is charged to "Protective Public Works," and the charge cannot be compared with *works* outlay, as the projects are still under investigation.

No. 2668.

CHIEF OFFICE OF THE INSPECTOR GENERAL OF POLICE,
Madras, 28th May 1883.

From
Colonel H. D. Clocte,
Inspector General of Police,

To
The Secretary to Government
Public Works Department.

Sir,

Enclosures Two

In accordance with G. O. No. 26 I.W. dated 23rd January 1883. P.W.D. I have the honor to forward for the approval of Government the accompanying list (A) of sanctioned works (costing each more than Rs 1000 and less than Rs 2500) which it is proposed to carry out by the Agency of the D. P. W. from their Budget allotment (Rs 10,000) during the current official year.

2. It will be seen that the total cost of the most urgent requirements

52

requirements rises to Rs. 14,199. or —
Rs. 4199 beyond the allotment and
should no supplemental grant be
available to meet this excess, I would
propose to include the items composing
it in the list of Incomplete D. P. W
Works as detailed in the remark * Vide ante April 1884
column of the Statement A. —
The four Station Houses shown in
the list have been completely pro-
vided for and the disparity between
the entire cost of the proposed
operations and the funds at —
present available for them will
have the sole effect of deferring
the construction of some of the
huts and need not result in
the more important structures
being left exposed in an un-
finished state until the receipt

of funds in the following year. I —
request therefore should this arrange-
ment be accepted that sanction
may be accorded for the inclusion
in the statement of Incomplete
D. P. W. Works for 1884-85 of the ba-
lances required for the completion
of the blocks of huts.

3. I beg to forward also a State-
ment marked B. containing a list
of sanctioned works amounting
in the aggregate to Rs 19,912 for
which although they fall but little
behind the others in point of ur-
gency no appropriation of funds
has been found possible this year.
Under the circumstances detailed
perhaps it might not be con-
sidered inexpedient that the

Sum

Sum usually allotted to this Department in the D.P.W. Budget may for 1884-85 as a special case be considerably increased, if not doubled, in order to enable us to keep pace with our present requirements.

Sir

With reference to statement A which accompanied your No. 2668 of the 29th instant, I have the honor to observe, that, with the exception of two works, Nos 5 and 9, the works entered are all new works; and since there are some eight works ~~commenced or~~ ~~are~~ incomplete at the close of 1882-83, and which require funds to complete them, I enclose for your information a statement, drawn up from the returns furnished by the Supdg. Engrs. ~~for your information~~, and ~~to~~ request you will be so good as to note in Column five, the grants

which you would as-
sign for 1883-84 towards
their completion -

2. There are no funds
at present, under Licence
with Govt. ~~that~~ which can be
allotted for the several
incomplete works of last
year, and funds for
their completion must
come out of the Rs
1000 provided for Police
buildings costing above Rs 1000
and under Rs 2,000 each
in the Provincial Budget
Item No 47

3 - When funds are
limited, as they are, it is as a
rule desirable to complete all
unfinished works before assigning
the amounts available to altogether
new works. —

Madras

SIR,

2 - Enclosures.

As desired in your letter No 1039 C
dated 31st ultimo, the enclosure of which
I herewith return, I have the honor to
forward a revised list for the appro-
priation of the D. P. W. Budget allot-
ment for Police Works (costing more
than Rs 1000 and less than Rs 2500 each).

2. Two sums of Rs 164 and 253 are
required respectively for the comple-
tion of the well in the compound
of the Assistant Superintendent's house
at Trikoilur (item No 7 in your
Statement) and the Lapakshi Station
House, Anantapur District (not in
the

57

the Statement). The cost of each of these items being less than Rs. 500 no specific appropriation is necessary. These amounts therefore are not debited against the D. P. W. allotment.

3. The Superintendent of Police, Godavari, reports that the Superintending Engineer, 1st Circle, requires a sum of Rs 3110 during the current official year in order to complete the Police Head Quarter office at Rajahmundry (Revised estimate — Rs 16,060. P. O. 1778 W. dated 13 Jul 1882 D. P. W). This being a Major Police Work the D. P. W. should have secured a separate provision for it in their Budget for 1883-84 and as no portion of the allotment under reference is available for the purpose the work though an incomplete one has been omitted from the revised list.

4. It will be seen by a reference to my lists A and B now before Government that sanctioned estimates for new works amounting in the aggregate to Rs 29,434 must under the present arrangement stand over sine die for want of funds. It seems to me therefore expedient under the circumstances to discontinue the submission for Government sanction of estimates for similar works until the present sanctioned estimates are worked off. It may be remarked that according to the existing rate of the annual grant for the class of buildings under consideration it will take three years to do this, unless a special allotment be afforded in the D. P. W. Budget for next year.

5. Regarding the construction of the Assistant Superintendent's office at Tekkali (item 9 in your Statement) for which an

Rs 1,101 have been apportioned from the D. P. W. allotment of Rs 10,000 — (leaving a balance of Rs 1254 still to be provided) I beg to invite attention to G. Os Nos 1435 dated 9th June 1882, J. D. and 578 N. dated 27th June 1882 J. D. from which it will be seen that the old office of the Assistant Superintendent of Police, was transferred to the Registration Department at a valuation of Rs 1,254 a sum which I submit, represents a distinct item to our credit and which I request may be placed at our disposal in order that it may be employed as a supplementary resource for the work in question.

Letter from the Inspector General of Police	H.E. No. 2668 d/28th May 1883.
Letter from the Dy. Chief Engineer P. W. D.	" " 1039 C d/ 31st May/83
Letter from the Inspector General of Police	" " 3034 d/ 13th June/83

Statement to be printed separately.

6

The accompanying statement prepared in the Public Works Secretariat ~~this office~~, of sanctioned Police works, costing above Rs 1000 and under Rs 2500 each, includes the incomplete works at the close of March 1883 requiring funds for their completion. The grant of Rs 10000 in the Provincial Budget for 1883-84 item No 47, has been appropriated to the works brought forward by the Inspector General in the statement submitted with

61

with his letter No. 3034 of the 13th June 1883.

2. The grant required to complete the Police Head Quarter office at Rajahmundry viz. Rs 3110 was appropriated in G.O. No. 1641 dated 12th June /83.

3. The Inspector General of Police is mistaken in supposing that the Police building at Tirukoilur in the South Arcot district was transferred to the Registration Department at a valuation. Para 2 of G.O. No. 435 Judicial of the 9th June 1882, was cancelled by Financial G.O. No. 578 W dated 27th June 1882, and the provision of funds for the construction of an office of the Assistant Supt. of Police at that station was left to the P.W. Dept. The sum of Rs 1254 which will be required for the completion of the building in addition to the grant now made, will if possible be allotted later in the year on application to be made by the Superintending Engineer.

87

108

4. Referring to para 4 of the Inspector General's letter No. 3034 dated 13th June 1883, the allotment for Police buildings, costing above Rs 1,000 and under Rupees 2,500 each, will be increased to Rs 15,000 in the Provincial Budget for 1884-85 if sufficient funds be available.
