From D. C. GORDON, Esq., Examiner of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 28th April 1883, No. 27 W.

In connection with the audit of the Coorg Accounts, I have the honor to request the favor of your instructing me on the following points in regard to the position of this office in relation to the Coorg authorities.

2. Are matters such as would, in the case of Public Works Divisions of the Madras Presidency, be referred to Local Government or to the Chief Engineer, to be, in the case of Coorg, referred to the Chief Commissioner of Coorg?

3. To whom are matters to be referred which are ordinarily dealt with by a Superintending Engineer?

4. Are the Government of India Code Rules and Forms to continue to be applicable to Coorg, and the books and accounts kept quite apart as those of a separate Province?

If so, I consider it would be desirable to authorise the Executive Engineer, Coorg Division, to indent direct on Calcutta for such forms as he may require.

5. Are questions in connection with the Coorg Budget to be disposed of in communication with the Coorg authorities?

6. To whom should matters in connection with the issue of letters of credit and such like be referred?

7. With whom are accounts to be exchanged in connection with transactions of the Civil and Military Departments.

No. 85 E., Public Works.

Copy of the above forwarded to the Chief Commissioner of Coorg for favor of remarks, on receipt of which the Government of India will be addressed.

With reference to your memorandum, No. 85 E., dated 5th May 1883, forwarding copy of letter, No. 29 W., dated 28th April 1883, from Examiner, Public Works Accounts, Madras, I am directed to reply as follows :—

(1.) All matters such as would, in the case of Public Works Divisions of the Madras Presidency, be referred to Local Government or to the Chief Engineer, should be, in the case of Coorg, referred to Chief Commissioner of Coorg, through Secretary to Chief Commissioner of Coorg, Public Works Department.
