READ—the following letter from C. F. MACCARTIE, Esq., C.S., Postmaster-General, to the Secretary to Government, Public Works Department, dated Madras, 29th June 1883, No. 3796-625 :—

I have the honor to submit, herewith, a plan and estimate, duly countersigned by the Assistant Director-General of the Post Office, for Rs. 900 for construction by the Public Works Department of a Post Office building at Duggirala, in the Kistna District; also copies of my letter* to the

* No. 269-625, dated 6th June 1883. Director-General of the Post Office of India, and of his reply thereto, No. 3482, dated 21st June 1883, according sanction to the measure, and request that you will be so good as to move the Government to pass orders for the allotment of the necessary funds from the grant for Minor Works of the Postal Department in this Circle for 1883-84, so that the work may be executed as early as possible.

ENCLOSURES.

Copy of a communication from the Postmaster-General, Madras, to the Director-General of the Post Office of India, dated 6th June 1883, No. 269-625.

I have the honor to forward, herewith, a plan and estimate for Rs. 900 for construction by the Public Works Department of a Post Office building at Duggirala, in the Kistna District, and request that you will be so good as to accord your sanction to the measure.

The Post Office is now held in a miserable house, which does not afford sufficient accommodation, and for which a monthly rent of Rs. 2 is paid. On inquiry it appears that no suitable and decent house can be procured even on a higher rent. It is therefore found absolutely necessary to erect a building for the Post Office.

The measure, if sanctioned, will be carried out from the Minor Works Grant for the current year.

Copy of a communication from the Director-General of the Post Office of India, to the Postmaster-General, Madras, dated 21st June 1883, No. 3482.

I have the honor to return herewith, duly countersigned, the plan and estimate received with your letter, No. 269-625, dated the 6th June 1883, and to convey sanction to the expenditure of a sum of Rs. (900) nine hundred for the construction of a Post Office building at Duggirala, in the Kistna District.

2. This work will form a charge against the Minor Works Grant of your circle for the year 1883-84.

3. Please report to this office the date of completion of the work.

ORDER—dated 9th July 1883, No. 1918 W., Public Works.

The reserve with Government being too small to admit of funds being allotted for the work sanctioned in the letter above recorded, the plan and estimate will be forwarded to the Superintending Engineer, Second Circle, for execution when funds are available.

2. The sanction accorded by the Director-General of the Post Office of India has been entered in the register of this office as Imperial Other Services No. 17 W. of 1883-84 and classified as Civil Buildings, Original Works.

SUBJECT.

Requesting to move Government to pass orders for the allotment of the necessary funds for the construction of a P.O. at Duggirala.

S.A.W.

I quite agree with T. as regards the inadvisability of constructing even a small building such as the half of brick with walls & half of sun-dried brick in clay, but I know that the estimate (prepared by E.R. Kistner) has already been sanctioned by the sanctioning authority, so all we can call on to do is to allot funds.

NOTE OF REMARKS.

1. The accompanying plan and estimate provide for the construction of a post office at Duggirala. Amount of estimate is Rs. 900.
2. The office and residence of the postmaster form one building but the part for the office is to be of brick (burnt)-in-chunam, while the portion set aside for the residence of the postmaster is to be of "sun-dried brick in mud", all other questions apart, it would certainly be better for the roof, if the same class of work be adopted for all the sustaining walls. As a question of expense the difference of cost is but slight.
3. Plan and estimate have been countersigned by the Asst. Director Genl. of the post offices of India.
