No. 193. Proceedings of the Madras Government in the Revenue Department,
dated 14th February 1879, No. 620.

Read the following Proceedings of the Board of Revenue, dated 7th February
1879, Miscellaneous No. 1,196, on letter from the Acting Collector of Tan-
jore, dated 16th December 1878, No. 4,689:—

WITH reference to Board's Proceedings, No. 12,385, dated 4th instant, I have the
honor to report that I am at present unable to state what portion of the records can
very well be destroyed as the records require to be arranged and those to be destroyed
separated from those to be retained. Temporary establishment was sanctioned for
this purpose in G.O., dated 8th October 1878, No. 1,635 (R.D.), but I propose
to postpone its entertainment in consequence of G.O., dated 29th November 1878,
No. 2,128.

2. I am, however, of opinion generally that for the records that may be found
to be retainable there is not now room enough, and that the addition proposed is not
more than necessary to receive the daily increasing records of the department.

SUBMITTED to Government in reference to their order, dated 22nd November 1878,
No. 2,861.

The alterations and improvements in the old record room may be postponed until
the records have been sorted.

COMMUNICATED to the Public Works Department with reference to Government
Order in that Department, dated 8th November 1878, No. 4,305 W.

BOARD OF REVENUE, 27TH NOVEMBER 1882, No. 2905.

PROCEEDINGS OF THE BOARD OF REVENUE.

READ—the following letter from H. E. STOKES, Esq., Acting Collector of Tanjore, to the Secretary to the Board of Revenue, dated 13th November 1882, No. 6557 :—

With reference to G.O., dated 21st February 1879, No. 559 W., Public Works Department, communicated in Board's Proceedings, dated 25th March 1879, Miscellaneous No. 2975, I have the honor to report that the records have now all been sorted, and those which need not be retained have been destroyed. Nevertheless, the accommodation available is hardly sufficient and must become less and less so as the records daily increase in bulk. Extension of the present accommodation is consequently necessary.

2. I therefore request that the restoration of the old record-room adjoining the Treasury Deputy Collector's Office, for which an estimate, amounting to Rs. 6,030, was submitted to Government, but has been ordered by them, in their Government Order, above quoted, to be postponed pending the arrangement of the records, may be ordered, and the sanction of Government specially obtained for including the work in the next year's budget, Public Works Department.

RESOLUTION—dated 27th November 1882, No. 2905.

Submitted to Government with the Board's recommendation that the work may be included in the Public Works Budget of 1883-84 and funds allotted for the same.
