for the interval,-

It will be seen however that both the conditions in Clause I have been complied with in Mr. Upadhyay's case, & apparently therefore he is entitled to pay for the period of transit.

He has not claimed any travelling allowance for rejoining, but seems least that he should have done so.

Your favorable consideration solicited.

22/9/83

With regard to the 2nd condition, Mr. Upadhyay left Vattanam, in the Tanjore District, on the ^{evening of the 7th} 2nd August, & reported himself here for duty on the forenoon of the 11th idem, a distance of 75 miles by road & 236 by rail. It can therefore be certified by this Office that he used all reasonable despatch in joining.

Clause III of the Code para named above states that if the conditions mentioned in Clause I are not complied with, no claim for salary or travelling allowance will be admitted.

Noted by the authority
making the transfer
that salary is not to
be drawn for the
period occupied in
transit, &

(2) That + + the prin-
cipal officer under
whom their new office
is placed, certifies
that they have used
all reasonable des-
patch in proceeding
from their old to their
new station.

We have now
obtained a copy
of Mr Bliss' order
permitting Mr
Wharton to revert
to this office, and
it is not stated
therein that pay
is not to be drawn
for the period
occupied in transit.

Accordingly B.R. 14-2-17
on the ground that the
transfer was not in
the interests of the public
service -

On the C being
asked to quote the
rule under which
the disallowance was
made, he named
para 453, Clauses I
& II of the P.W. Code.

Clause I of the
above para rules that
an officer transferred
from one charge to
another are en-
titled to full salary
for the whole period
interval that may
elapse between being
relieved & assuming
charge on the following
conditions:-

Mr Upshon was granted leave
without allowances for one year
in order that he might go on trial
to the Salt Department, and primary
ly for his own benefit. Consequently
his leave must be held to have
begun from the date on which he
gave over charge of his duties
in W's Office, and to have expired
on the day on which he rejoined
his appointment in the P.W. Depart-
ment. His claims to pay during
transit are not admissible.

Mr J. R. Upshon,
who last year was
appointed to the Salt
Dept on probation,
was recently permitted
on the ground of
ill health &c, to
revert to his sub-
stantive appointment
in this office as Clerk
2nd Class 2nd grade.

He left his station
in the Salt Dept on
the 7th Aug & joined
here on the 11th idem.

When our last
salary bill was
sent in for audit,
the C disallowed
Mr Upshon's pay
for the period of
transit (from the
8th to 10th August

to return to the Secretariat &
plus the permission of Govt:
in the Revenue Dept.
3. The Accountant General
brought my appointment to
the Salt Dept. as a transfer
to that Dept. & passed me
travelling allowance from
Madras to Tuticorin &
joining pay for 6 days
at the rate of Rs: 14 6 per
mensem (the salary I drew
in the P.W. Secretariat).

The Gazette Notification of
my appointment was as
follows:-

"Mr. John Upshon, Record
Lupt., P.W. Secretariat,
is appointed a Probationary
Inspector in the Salt
Dept.:-"

4. If the Examiner's
views are accepted
I will have to

forfeit:-

- (1) three days salary
- (2) three days service
reckoning towards
pension, leave &
increment of salary
- (3) all fuelough & privilege
leave previously earned
- (4) all previous service
counting towards
an increment of
salary.

DW. Submitted for further
consideration.

The C has now changed
his ground of objection, but
still declines to admit pay
to Mr Upshon for the three days.

Mr Upshon was not granted
leave by this office. He was
allowed to take up an appt
in the Salt Dept. but as he
was on probation there, his
place in this office was

20/9

Kept open for him. He was
serving first. Throughout, &
the period he was in the Salt
dept. counts for pension, privi-
leges, bursary etc. - If as the C
says Mr. Upshon was on leave
without allowances, the whole
of his year in the Salt would
be lost to him as ~~service~~ service.

It is understood that
the C's objection would be
removed, if Mr. Bliss formally
replaced Mr. Upshon's services
at disposal of P.W.D., &
a letter to Mr. Bliss asking
for an order to this effect
is submitted for approval.

1. It was to the interests of the public
service that I should give up
a post of Rs. 250 for which
I was physically unfitted
to take up a post of Rs. 140
for which I was fitted in
all respects.

Even if the transfer was not
in the interests of the public
service then by the rules
I should only forfeit all
claim to travelling allowance
but not to pay for the period
taken in joining the P.W.
Secretariat.

2. I was not formally granted

Sir

In acknowledging the
receipt of your letter Rs 71425
dated 19th Sept 1883, I have the
honour to state that the Exams,
P.W. Accounts has raised a
question whether pay can be
admitted to Mr J.R. Upshon
from the 8th to the 10th August
1883, the period he was in transit
from Vettanur to Madras -
I have therefore to request that
to satisfy the requirements of
the Audit Deptt you will be
good enough to favor me
with an order formally re-
-placing Mr. Upshon's

Services

Kept open for him. He was
serving first. Throughout, &
the period he was in the salt
dept counts for pension, privi-
leges, bursary etc. - As the C
says Mr. Lepson was on leave
without allowances, the whole
of his year in the salt would
be lost to him as service.

It is understood that
the C's objection would be
removed, if Mr. Bliss formally
replaced Mr. Lepson's services
at disposal of P.W.D., &
a letter to Mr. Bliss asking
for an order to this effect
is submitted for approval.
