READ—the following letter from C. VINCENT, Esq., Officiating Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepauk, 6th July 1883, No. 374:—

With reference to G.O., No. 1788 W., dated the 25th ultimo, appointing Mr. Lewis, of the Consulting Architect's Office, Clerk, 1st Class, 3rd Grade, I have the honor to bring to notice that the Examiner, Public Works Accounts, only accords provisional audit to Mr. Lewis' salary pending the receipt of information as to whether he has passed the following examinations:—General Test, Precis Writing, Higher Grade, and Public Works Code. Mr. Lewis has up to the present passed no examination, and under the peculiar conditions of his promotion to a first-class clerkship, *i.e.*, as being the only way in which an especially deserving draftsman could have his services recognized, I have no hesitation in recommending to Government his exemption from the General and Precis Tests imposed on him by Code Rules in consequence of his promotion.

The examination in the Public Works Code he should, however, be bound, I think, to pass within the period of six months allowed by the Code.

ORDER—dated 12th July 1883, No. 1950 W., Public Works.

The question of Mr. Lewis' exemption from the General and Precis Higher Tests will be referred for favorable consideration in the Educational Department.

2. Mr. Lewis should pass the Public Works Code Examination prescribed for clerks at the next opportunity.
