READ—the following letter from Lieutenant-Colonel ROSS THOMPSON, R.E.,
Officiating Superintending Engineer, Third Circle, to the Chief Engineer,
Public Works Department, dated Bellary, 30th January 1883, No. 1965:—

With reference to G.O., No. 3435 W., dated 27th December 1882, relating to
the establishment for the Kurnool Canal Division, I have the honor to request that
sanction may be given to the entertainment of two more Clerks, 4th Class, III Grade,
on salary Rs. 25 each, one for the Canal Division Office and the other for the Lower
Sub-division.

2. At present only one Clerk, 4th Class, III Grade, is sanctioned for the division
against two as allowed by the scale of establishment for first-class divisions, approved
in G.O., No. 1729 W., of 14th July 1881. A second Sub-divisional Clerk is also
required, as there are two Sub-divisional Officers.

3. Chain Sing and P. Balasundram Moodelly, who were employed as clerks
under the Company, are proposed to be brought on the permanent establishment in
filling up the above appointments, and I request that these men may be exempted from
passing the prescribed examinations.

4. The Executive Engineer reports that M. Raghaviah Naidu, ordered to be
appointed as Sub-divisional Clerk in G.O., No. 3435, above referred, is not an efficient
clerk, and recommends in his place A. Nursimhooloo Naidu, late Head Writer in the
Lower Sub-division. He also recommends

* On the Conservancy Establishment. the increase of Superintendent * Arna-
challum's pay from Rs. 40 to 45, by a corresponding reduction in the pay of Rs. 70
allowed for Superintendent Abdul Rahman Sahib. I request that the proposed
changes may be authorized.

ORDER—dated 12th February 1883, No. 467 W., Public Works.

The Superintending Engineer is at liberty to make up the office establishment
of the Kurnool Canal Division to that allowed by the fixed scale for a first-class divi-
sion with three sub-divisions.

2. The individuals named in G.O., No. 3435 W., were merely those whose
appointments for some reason or other required the special sanction of Government,
and were not intended to form the whole office establishment of the division.

3. The name of the Head Clerk was entered for appointment as Clerk, 3rd Class,
III Grade, because it was understood to be the intention of the late Superintending
Engineer to transfer him to another division and promote the Head Clerk of the
latter to the Kurnool Canal Division, but it is open to the Superintending Engineer

to use his own discretion in the matter and appoint the individual named to the Kurnool Canal if he thinks proper.

4. The exemption of Chain Sing and Balasundrum Moodelly from the examination rules, with a view to their appointment to the permanent establishment, is sanctioned.
