PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings
of the Board of Revenue dated 22^d
June 1883, No. 5230 Misc. on letter from
the Ag. Head Assistant Collector in
charge, Anantapur dated 6th June 1883,
No. 292.

I have the honor to regret the
Board will be pleased to obtain
the sanction of Government for the
demolition and sale of the material
of the old Fort wall of Bukkacha
Anantapur Taluk which is reported
to be in a ruined condition. The
fort is not of any historic interest
or military value. It seems to have
been originally constructed for no
other object than that of protection
to its inmates in times of disturbance.
The ruined stone wall is 4 chains
long $\times$ $1\frac{1}{2}$ feet high. The upper portion
of the wall has mostly fallen
down. The value of the stones
is estimated to be about Rs 10.

2 As the Executive Engineer,
Bellary, has stated that the stones
are not required by his Department
