GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General
Account.

READ—the following papers :—

From Major S. C. CLARKE, R.E., Officiating Superintending Engineer, Third Circle, to the Chief Engineer, Public Works Department, dated Bellary, 14th June 1883, No. 778.

I have the honor to inform you that I have addressed the Inspector-General of Jails on the subject of the Kurnool Jail, which work has been budgeted for; but I am given to understand by that officer that there is every probability of its not being required for Kurnool, but as time is running on, I must beg that some early decision may be arrived at by the Government.

2. Last year, owing to there being no final orders given on the subject, the entire grant of Rs. 30,000 lapsed, and I very much fear the same loss of funds will be allowed to occur this year if there is any further delay in settling the vexed question.

No. 1138 C., Public Works.

Referred to the Inspector-General of Jails for favor of early information whether the current year's budget grant for the Kurnool Jail may be withdrawn and utilized elsewhere.

(By Order.)

(Signed) C. BOWEN, Major, R.E.,
Under Secretary to Government.

16th June 1883.

From Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Engineer, Public Works Department, dated Ootacamund, 21st June 1883, No. 162.

In returning the Acting Superintending Engineer's letter received with your endorsement, No. 1138 C., dated 16th June 1883, I have the honor to state that I informed Major Clarke that the construction of a new District Jail at Kurnool must be deferred pending the decision of Government on the prospective removal of the Kurnool Court.

2. The allotment of Rs. 30,000 entered in the budget of 1883-84 cannot be surrendered, for if the money is not spent at Kurnool, it will be required for other jails; and since the abolition of the Convict Labor Fund those works for which provision was made in the budget of that fund must now be provided for under the head Provincial.

Order—dated 18th July 1883, No. 1983 W., Public Works.

It is anticipated that not more than half the allotment can in any case be spent on the Kurnool new jail. A sum of Rs. 15,000 is accordingly credited to the Provincial Reserve to meet other urgent demands. Enquiry will be made by the Judicial Department as to the prospect of the remaining Rs. 15,000 being required. But, it would seem, depends on the decision which may be come to in regard to the removal of the Kurnool Court.

2. The Inspector-General of Jails would seem to be under a misapprehension as to the preferential claim of jail on Provincial Public Works Grants. Each work, of whatever class, must be dealt with on its merits.

In returning the Acting

state that I informed Major Clarke
that the construction of a new

The allotment of Rs. 30,000

will be required for other jails -

It is quite inferable
that Rs 30000 can in any
case be spent during the
current year, on the hands
Jail, and half the amount
may also be applied to
other works (not necessarily
for jails)

The particular steps should
be addressed and asked
if the remaining Rs 10000
may also be so applied.

Jails No. 162 d/21 June/83.

There seems no reason
why the Rs 30,000 herein
referred to should
not be at once re-
appropriated, or imme-
diately as reply comes
from the Financial
Dept. to the application
now being made for
reallotment of the
unspent balances of
last year's grants.
When the decision of
the Financial Dept.
is received we shall
know exactly what
funds may be expected
and can reappropriate
accordingly.
