Proceedings of the Civil Medical Board held at the General Hospital Madras on Saturday the 26th May 1883.

The Committee have carefully examined Mr George Brown son of William Brown Deputy Examiner of Public Works Accounts, Madras. His age is, by his own statement, 54 years and by appearance about 54 years. We consider Mr Brown to be completely and permanently incapacitated for further service of any kind in consequence of gout, Chronic Bronchitis with asthma and incipient senile palsy.

His incapacity does not appear to us to have been caused by irregular or intemperate habits.
