Secretary to Government, P.W.D.

4th October 1882, No. 2592 W., Public Works.

2024/4

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

No. 27.

Letter—from

Colonel R. H. SANKEY, R.E., C.B.,
Secretary to Government, Public Works Department,

To

The SECRETARY to the GOVERNMENT of INDIA,
Public Works Department.

Sir,

I am directed to forward, with reference to paragraph 4 of your letter No. 1082 G., dated 24th July 1882, a statement of the establishment which, in the opinion of this Government, is absolutely necessary to carry out the Productive Public Works in the Godávari, Kistna, and Cauvery Deltas which have lately been sanctioned.

2. On the general question of the supposed extravagance of the sanctioned scale of establishment in this Presidency, a separate communication will shortly be made, and I am to add that this Government fully accept the condition made in your letter under reply, that the establishment required to carry out the work now referred to is to be temporary; but it is, in the opinion of this Government, essential that the Executive Engineers, to whom the new temporary divisions are to be entrusted, shall be officers acquainted with the mode of carrying out work, and the workmen employed, in this Presidency.

3. The arrangements which are therefore proposed and to which I am directed to request the approval of the Government of India are as follows:—

(1.) The appointment of the following officers as temporary Executive Engineers:—

- Mr. Wilks, at present temporary Executive Engineer on the Kurnool Canal.
- Mr. H. S. Taylor, Assistant Engineer, First Grade, and Acting Executive Engineer, Fourth Grade.
- Lieutenant W. L. C. Baddeley, R.E., Assistant Engineer.

(2.) The appointment of three Assistant Engineers by transfer from other Provinces.

(3.) The appointment of three Accountants, who, it is understood, the Government of India agree with this Government in considering should be graded on the permanent staff and would be the only addition proposed to that staff.

The other appointments proposed in the statement enclosed being below the limit of pay which has been fixed as requiring the sanction of the Government of India, can be made by this Government, it is anticipated, from among the qualified Upper Subordinates in this Presidency.

4. As regards the appointments of Executive Engineers proposed, Mr. Wilks is an officer of many years standing on the late Madras Irrigation and Canal Company's works, and in the proposals submitted for the taking over the Company's works it has already * been suggested that his services should be retained; the other officers named are selected Assistant Engineers who have, in the opinion of this Government, shown themselves fit for the positions in which it is proposed to place them.

5. On the subject of the appointment of temporary Assistant Engineers from other Provinces, I am to say that this Government will now be prepared to accept such officers as the Government of India may consider fully qualified for the work and have been well reported on during their previous service. It is presumed that in all such cases of transfer copies of the usual confidential reports shall be forwarded to this Government at the earliest practicable dates.

I have the honor to be,
Sir,
Your most obedient servant,
(Signed) R. H. SANKEY, Colonel, R.E.,
Secretary to Govt., P.W.D.

Fort St. George,

ORDER—dated 12th June 1883, No. 1641 W., Public Works.

In the papers read above, the Superintending Engineer, the Consulting Architect, and the Superintendent, Public Work Stores have applied for funds on account of (a) Minor Works anticipated, in lump sums, (b) Incomplete Works of 1882-83, (c) New Works, recommended to be taken up in 1883-84, (d) Repairs, (e) Tools and Plant and (f) Temporary Establishment.

2. The Military Minor Works grant, *vide* Budget Item No. 8, amounts to only Rs. 21,987, but the demands of Superintending Engineers are as follows :—

	RS.
For Minor Works anticipated, to be placed at their disposal in lump sums	27,400
For Incomplete Minor Works	4,696
For Incomplete Major Works	41,801
For New Major Works	38,320
For New Minor Works	6,457
Total ...	1,18,674

The Minor Works grant has been distributed as follows :—

	RS.
For Minor Works anticipated as per Statement A	12,200
For Minor Works as per Statement B.	3,938
For Major Works as per Statement B.	4,279
Reserve with Government	1,570
Total ...	21,987

3. With reference to G.O., No. 1076 W., dated 11th April 1883, it has only been found practicable to place Rs. 7,000 at the disposal of Officers Commanding Divisions and Districts, which His Excellency the Commander-in-Chief will instruct to be distributed in such proportions, as he may deem necessary.

4. The Superintending Engineer, Third Circle, in his No. 445, dated 12th May 1883, suggests that in lieu of the Minor Works grant, the Military Repair grant be placed at the disposal of Officers Commanding Divisions and Districts. The opinion of His Excellency the Commander-in-Chief will be obtained on this point, through the Military Department.

5. Under Repairs Military the demands of Superintending Engineers amount to Rs. 2,87,150, but as the budget provision is only Rs. 2,75,000, the demands have been reduced to Rs. 2,72,150, *vide* Statement A which accompanies this resolution. This leaves Rs. 2,850 as a reserve with Government.

6. Rs. 3,085 have been placed at the disposal of Superintending Engineers under Original Works, Postal, and Rs. 5,079 allotted for Major and Minor Incomplete and New Works, under the same head of service, *vide* Statement B. The reserve with Government after deducting the allotments made in the Government Orders quoted in the margin, is Rs. 231. The demand under Postal Repairs has been reduced from Rs. 6,025 to Rs. 4,400 which leaves a reserve balance of Rs. 600 with Government.

	RS.
G.O., No. 1358 W., dated 9th May 1883,	435
„ „ 1359 W., „ „ „	935
„ „ 1360 W., „ „ „	600
„ „ 1389 W., „ „ „	1,845
Total ...	3,815

7. The distribution of the grant under Telegraph is shown in Statement A.

8. Statements C and D show the several demands made by Superintending Engineers under Provincial, and the allotments passed. The demands under Original Works,

exclusive of Registration and Police Works which will be separately dealt with, are as follows :—

	RS.
For Minor Works anticipated, to be placed at their disposal in lump sums	32,177
For Incomplete Minor Works	10,760
For Incomplete Major Works	2,50,744
For New Major Works	15,377
For New Minor Works	54,798
Total ...	3,63,856

	RS.
Reserve with Government	85,173
G.O., No. 1013 W., dated 3rd April 1883	6,320
„ „ 1008 W., dated 2nd „ „	815
„ „ 1588 W., dated 6th June „	2,000
„ „ 1435 W., dated 17th May „	6,000
Total ...	15,135
Difference ...	70,038
Add Budget Item No. 12 resumed	2,330
Add Budget Item No. 21 resumed, *vide* G.O., No. 1611 W., dated 8th June 1883	1,355
Total ...	73,723

But since the reserve with Government, after deducting the appropriations already made as per margin, is only Rs. 74,368, the demands have been considerably reduced, as shown below :—

	RS.
For Minor Works anticipated as per Statement C.	19,200
For Minor Works as per Statement D.	14,037
For Major Works as per Statement D.	40,418
Reserve with Government	68
Total ...	73,723

9. Appropriations have been asked for 23 Incomplete and 33 New Registration Buildings, aggregating Rs. 1,02,620, but as the reserve with Government is only Rs. 24,070, it has not been found possible to allot funds for any new works.

	RS.
Reserve Budget Item No. 61 ...	22,077
Resumed do. No. 53 ...	1,993
Total ...	24,070

10. A list of Police Works costing above Rs. 1,000 and under Rs. 2,500 each, and for which funds have been applied for by Superintending Engineers, has been sent to the Inspector-General of Police for his remarks, prior to allotment of funds.

11. The provision in budget for converting the terraced roof of the Tahsildar's Cutcherry at Russellkonda into a tiled one, Item No. 12, viz., Rs. 2,330, not being required by the Superintending Engineer, has been resumed and added to the reserve.

12. Under registration buildings also, the provision for the District Registration Office at Bellary, Item No. 53, has been reduced to Rs. 2,293, as Rs. 1,993 was spent on the work in 1882-83. The amount resumed has been added to the reserve with Government under Registration.

13. The demands made under repairs and tools and plant and the allotments passed are shown in Statement C.

14. Statement E shows the appropriations made on account of temporary establishment.

15. To meet the outlay necessary to complete the works now in progress, under Military and Provincial, Superintending Engineers will, as early as practicable, submit proposals for the necessary reappropriation of budget credits. The works in the meanwhile will be pushed on to completion.
