READ—the following letter from Colonel J. BEATTY, R.E., Superintending Engineer,
Fourth Circle, to the Chief Engineer, Public Works Department, dated
Coimbatore, 29th November 1882, No. 507:—

I have the honor to forward herewith an estimate, amounting to Rs. 2,790, for a
block of quarters for coolies, similar in
all respects to the temporary quarters for
Sappers, and to be built on the site
selected on the borders of the Stonehouse Hill property.

2. Owing to the difficulties of obtaining and keeping a sufficient supply of labor
for the works at Ootacamund, it is considered very desirable to provide shelter for a
small number of coolies, in buildings belonging to Government, for which they would
be required to pay some small rent.

No. 46.

ORDER—dated 6th December 1882, No. 3213 W., Public Works.

2. The amount of the estimate is appropriated from the Provincial Reserve.

3. This sanction has been registered as Provincial No. 177 W. of 1882-83, and
classified as Civil Buildings, Original Works.
