Sir,

With reference to the orders passed on Item No. 4 in the Provincial Statement of Objectionable Items of 5th. Circle for March 1883 (G.O. No. 1715 W. dated 18th. June 1883), I have the honor to point out that if the amount in question be debited to Miscellaneous Advances, it will not remedy, but only remove the objection from "Imperial Other Services" to "Provincial", and as the amount is small and the excess easily explained, I consider the debit should be allowed to stand as it is.

2. In my letter No. 160 S.E. 5th. dated 14th. June 1883 to the Executive Engineer Presidency, he was requested to place himself in communication with the Comptroller Mysore, with a view to having the amount placed at the disposal of the Madras P.W. Department. No intimation of the amount having been so placed has been received up to date, but I have made
