GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following letter from Surgeon-Major J. KEESS, M.B., Senior Medical Officer, General Hospital, to the Secretary to the Surgeon-General with the Government of Madras, dated Madras, 10th July 1883, No. 1938:—

I have the honor to represent that the size of the theatre in the sanctioned Mortuary is 18 x 17½ feet, and that there is a gallery or platform for eighteen students standing in two rows, allowing 1 foot 6 inches frontage and 1 foot 6 inches in depth.

2. As cases may occur in which it would be necessary to accommodate forty students and medical visitors, I beg to suggest, for the Surgeon-General's approval, an addition to the Mortuary of 7½ feet in length. It will then measure 25½ x 17½. The additional cost will amount to Rs. 400. The foundation is about to be done, and, if sanction be obtained for this proposal now, no unnecessary trouble or expense need be incurred hereafter in making alterations.

3. The present arrangement provides standing room for students. It would be an improvement if they were provided with seats. This could be done by raising the platform a little &c. &c. &c. The students' heads, when seated, would be on a level as when standing on the proposed platform.

4. The small size of the proposed Mortuary did not strike me until its dimensions were marked out on the ground.

Yr. H. O.

Forwarded to the Secretary to Government, Public Works Department, for favorable consideration, if the expense is not greater than Rs. 400 as stated by Dr. Kees. The plans of the Mortuary Theatre were submitted to and approved by the Senior Medical Officer, General Hospital.

OORACAMUND.
10th July 1883.

(Signed) W. R. CORNISH,
Surgeon-General, Government of Madras.

Order—dated 26th July 1883, No. 2048 W., Public Works.

Communicated to the Superintending Engineer, Fifth Circle, who will carry out the proposed modification of design on the understanding that the additional cost will not exceed Rs. 400.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

No. 92.

READ—the following papers:—

From Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, Fifth Circle, to the Chief Engineer, Public Works Department, dated Chepauk, 30th October 1882, No. 2761.

With reference to G.O., No. 2305 W., dated 17th September 1881, I have the honor to submit plans and estimate of Rs. 20,350 for constructing an out-patients' ward and dispensary at the General Hospital, together with a mortuary and theatre, with water-pipes to be laid on to the latter. The present sheds for out-patients and the dead-house are proposed to be converted into separate waiting-rooms for men and for women, and each is to be connected with the new dispensary by a covered passage.

2. In G.O., No. 2187 W., of the 25th August 1882, the estimate for the out-patients' wards is specially called for. The out-patient department includes the dispensary, two consulting-rooms and four small rooms for dressing and bath-rooms, and the estimate, excluding the mortuary arrangements, amounts to Rs. 15,890.

No. 92-A.

From the same Officer, dated Chepauk, 9th March 1883, No. 4327.

With reference to your memorandum, No. 2029, of the 10th November 1882, I have the honor to submit again the plan and estimates (of Rs. 20,360) for constructing an out-patients' ward, a dispensary, mortuary, &c., at the General Hospital. Excluding the mortuary arrangements, the estimate amounts to Rs. 15,100.

- 2 Plans.
- 1 Report.
- 1 Specification.
- 1 Detailed Estimate.
- 2 Abstract Estimates.
- 1 General Abstract.

2. On the questions of the dissecting table being made according to the standard design, and a flooring more suitable than asphalt being laid down in the mortuary, the Surgeon-General states that a table on the standard design is not suitable, but that a table which swings round is required, while he prefers asphalt to any other description of flooring. A revolving table on the War Office pattern and the asphalt flooring have therefore been left in the estimate. A receptacle sink and cistern have now been entered in the estimate as suggested in your memorandum.

13th MARCH 1883, No. 819 W., Public Works.

No. 93.

ORDER—dated 13th March 1883, No. 819 W., Public Works.

The estimate, amounting to Rs. 20,360, for constructing an out-patient's ward, dispensary and mortuary at the General Hospital, Madras, is sanctioned.

2. The Superintending Engineer will report at once whether any money can be expended on the work during the current financial year, and application should be made, as soon as possible after 1st April 1883, for funds required during 1883-84.

3. This sanction has been registered as Provincial No. 270 W. of 1882-83 and classified as Civil Buildings, Original Works.

General Hospital, Madras

Estimate, amounting to Rs. 20,300, for constructing an out-patients' ward, dispensary and mortuary at the —, sanctioned.

General Hospital
Madras 10th July 1883

From The Senior Medical Officer
General Hospital
Madras

To The Deputy Surgeon General
with the Commr. of
Madras

Sir, I have the honor to inform that the size of the Chamber in the Sanction Building is 18 x 17 ft. 6 in. and that there is a gallery or platform for 10 students standing in two rows, averaging 1' 7" fronting and 1' 6" in depth.

In cases may occur in which it would be necessary to accommodate 20 students and medical visitors, I beg to suggest, for the Deputy Surgeon General, in addition to the Sanction Building, of 17 ft. 6 in. in length and 10 ft. in width, an amount to Rs. 20,300. The additional cost will amount to Rs. 20,300. The Government is about to be dug, and, if variation be obtained to the proposed plan, no unnecessary trouble or expense need be incurred hereafter in making alterations.

3. The present arrangements

provided standing room for students.
It would be an improvement, if
they were provided with seats. This
could be done by raising the platform
a little, so that the students' heads
when seated, would be on a level as
when standing, on the proposed platform.

14. The small size of the proposed
monetary did not strike me, until
its dimensions were measured out
on the ground.

I have the honor to be,
Sir,
Yours most obedt servant,
Wm. Keen
Per my Deputy
Secy. the Office of the Secy.
