in did not leave till 19th & he had completed handing over charge at Duggirala on 5th, Mr Carlee being enquired to assume the reins.

I think under the circumstances & as he has long undermined, being in ill-health & anxious to get home as quickly as possible, to join a steamer with all possible despatch, that Govt might fairly order his furlough to commence from 18th when his subsidiary leave ended under the rules.

Mr Wybrow has not had privilege leave for 16 years, so the above case would be peculiarly hard, if given against his having subsidiary leave.

If approved I would wire Govt. assent to the above proposal

OFFICE NOTE.

To W.

Mr. Wybrow, Ex. Engineer, has just arrived from Kistna West & proceeds on furlough by steamer of 29th from Madras. According to Civil Leave Code he is entitled to 13 days subsidiary leave, but as he landed on his Division on 5th & does not embark till 29th he forfeits all his subsidiary leave. This would be very hard and arises from Mr. Wybrow's misinterpretation of the Civil Leave Code provisions, under C. L. C. Section 66 – proviso – the Local Govt may order that his furlough shall begin in India at the end of his Subsidiary leave, without forfeiture of his Subsidiary leave, if he is prevented embarking within his subsidiary leave by sickness or other urgent and adequate reason not within his own control.

The steamer he left Vizagapatam
