GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

Resolution of the Government of India, Department of Finance and Commerce, dated Simla, 27th June 1883, No. 1685.

Accounts and Finance—Stores.

Read—again—

Despatch from the Secretary of State, No. 39, dated 3rd August 1882, and enclosure, inquiring whether there is any objection to the adoption of a suggestion made by the Auditor of the Indian Home Accounts that when the value of damage to Government stores or of short deliveries of such stores is recoverable from freight, the returned packing accounts should be stamped or certified by the Pay Departments in India, so as to indicate that the recovery in question has been dealt with.

Read—

Resolution in this Department, No. 4312, dated 25th October 1882, referring the Secretary of State's Despatch to the Public Works and Military (Marine) Departments and to the local Maritime Governments for report as to the best means of carrying out the suggestion.

Letter from the Government of Madras, No. 110, dated 19th January 1883, stating that the best way to meet the Auditor's suggestion would be to furnish the India Office with a memorandum of deductions made from freight on account of deficiencies reported in the returned packing accounts.

Letter from the Chief Commissioner, British Burma, No. 499-71G, dated 20th March 1883, stating that there is no objection to the Auditor's proposal, and suggesting that the stamping or certifying of the returned packing accounts would be most conveniently done by the Agent for Government Consignments, where such an official exists, or by the officer receiving the consignments.

Letter from the Government of Bengal, No. 563, dated 13th March 1883, recommending the continuance of a procedure recently introduced under which the Agent for Government Consignments, in addition to certifying that the amounts drawn on freight bills are correct, specifies the deduction that have been made for loss of, or damage to, stores, and submits them to the Director-General of Stores, India Office.

Office Memorandum from the Military (Marine) Department, No. 404 S., dated 5th April 1883, and enclosures, stating that the requirements of the Auditor of Home Accounts are met by a procedure which has been adopted since December 1882, according to which the agents in India of vessels bringing out Government stores from England now submit their freight bills to the Agent for Government Consignments in triplicate, instead of, as formerly, in duplicate, and the additional copy of the bill bearing on its face the particulars of any recoveries to be effected is forwarded by the Agent to the Director-General of Stores, India Office.

Letter from the Government of Bombay, No. 4763, dated 11th December 1882, forwarding copy of a letter from the local Accountant-General proposing that the packing accounts may be marked in such a way as to show that all cases of short delivery or damage have been dealt with, and suggesting a form for the purpose.

Office Memorandum from the Public Works Department, No. 128 A.G., dated 31st May 1883, stating that the best way to meet the requirements of the India Office is to have a stamped certificate on the packing accounts as suggested by the Accountant-General, Bombay.

Resolution—

On consideration of the suggestions made in the letters quoted above, the proposal made by the Accountant-General, Bombay, and concurred in by the Public Works Department, commends itself to the Government of India. The Governor-General in Council accordingly directs that in future when recoveries are made in India for damage to, or short deliveries of, Government stores, the packing accounts returned to the India Office shall bear the following stamped certificate:—

Office of Accountant-General ... { Bengal. / Bombay. / Madras. / British Burma.

Recovered Rs. _____
Date _____

_____
Accountant-General.

When no freight is payable in India, and no recoveries can therefore be made, a certificate to that effect should similarly be stamped on the packing accounts.

Order—

Ordered that this Resolution be communicated to the Governments of Bengal, Madras, and Bombay, and to the Chief Commissioner, British Burma, the Accountants General concerned, and to the Public Works and Military (Marine) Departments for information and guidance.
