

PROCEEDINGS OF THE BOARD OF REVENUE.

READ—the following letter from H. Sr. A. GOODRICH, Esq., President, Local Fund Boards, Ganjam, to the Secretary to the Board of Revenue, dated Chatrapur, 14th November 1882, No. 39.

I have the honor to submit the Regular Estimate for 1882-83 and the Budget Estimate for 1883-84 of the Chicacole Circle together with the prescribed accompaniments.*

REGULAR ESTIMATE.

2. *Receipts*.—The opening balance as advised by the Accountant-General is Rs. 63,444-5-8, of which Rs. 46,546-14-9 belong to the Road Fund and Rs. 16,897-6-11 to the General Fund.

3. The total assets as per regular estimate thus amount to Rs. 1,38,269 of which Rs. 94,547 appertain to the Road Fund and Rs. 43,722 to the General Fund.

4. *Disbursements, Grant IV*.—The share of the cost of the Collector's and Audit Establishments is Rs. 350 and Rs. 263, respectively, as per revised scale and assets of the Chatrapur Circle for the current year. The total expenditure under Grant IV is thus reduced to Rs. 3,053 and under all Grants to Rs. 92,972.

5. The closing balances will accordingly be Rs. 37,318, Road Fund, and Rs. 7,979, General Fund.

BUDGET ESTIMATE.

6. *Receipts—Special Funds*.—The receipts under the several items comprising this head are estimated at Rs. 5,420 and not Rs. 300 as stated by the Vice-President. There is no real decrease as compared with the current year. The Revenue Board's instruction to exhibit the "Fish and Ferry Rents" and "Avenue Receipts" under "I, Land Revenue" and "Miscellaneous Receipts" does not serve to contemplate detaching these items from the major head "Special Funds" of which they still form part.

7. The total receipts amount to Rs. 1,19,830 (in round numbers), of which Rs. 84,930 belong to the Road Fund and Rs. 34,900 to the General Fund.

8. *Disbursements, Grant I—Original Works, Communications*.—The addition of Rs. 3,593 to the expenditure incurred on the Trunk Road represents a nominal adjustment made in 1878-79 under instructions from the Examiner of Public Works Accounts, in consequence of re-organisation of the Public Works Ranges. As this adjustment was made evidently to suit the convenience of accounts, it may be left out of consideration in allotting funds for the work. The provision made for the Vice-President may therefore stand.

9. *Road Dams with Tunnels across Musalaya Gedda*.—The Superintending Engineer has promised to return the estimates shortly. They will be submitted as soon as received.

10. *Road from Gopili to Mandasa*.—The expenditure on this road up to 31st March 1879 was Rs. 4,394—*vide* this office letter, dated 2nd November 1881, No. 3085. This amount includes Rs. 1,244—a nominal adjustment similar to that in the case of Musalaya Gedda.

11. *Grant IV*.—The share of the cost of the Collector's and Audit Establishments as revised is Rs. 394 and Rs. 284, respectively. This distribution affects the budget provision of the Chatrapur Circle too.

12. The aggregate estimated expenditure under all the grants is Rs. 1,15,990, of which Rs. 81,120 belong to the Road Fund and Rs. 34,870 to the General Fund. The General Fund expenditure having exceeded the assets by Rs. 1,115, the General Reserve has been reduced by this amount and thus the receipts and the expenditure equalized. The necessary corrections have been made in the regular estimate and the budget in red ink.

ENCLOSURE No. 1.

From A. THOMPSON, Esq., Vice-President of the Local Fund Board, Chicacole Circle, to the President of the Local Fund Boards, Ganjam, dated Chicacole, 13th October 1882, No. 593.

I have the honor to forward herewith the Local Fund Budget of the Chicacole Circle for the official year 1883-84.

2. The estimated receipts of the year amount to Rs. 1,20,840 as follows:—

	RS.
Opening balances	
1. Grants from Provincial Funds	45,300
2. Do. from Special Funds	
3. Fisheries	300
4. Land Cess	3,200
5. Tolls	65,020
6. Contribution from Parlākimedi Estate for Hospital	2,350
7. Do. for Sanitary purposes	1,000
8. School Fees	360

11. Ferry Rents	80
12. Avenues	1,900
13. Fines and Penalties	20
	60

Total ... 1,20,090

3. The opening balances have been calculated according to the instructions contained in the Revenue Board's Official Memorandum, No. 1366, dated 20th August 1879.

4. A separate statement (Appendix I to Board's Proceedings, dated 21st August 1882, No. 2095) showing the budget grants with subsequent additions, alterations and deductions is appended. The several items in the regular estimate have been explained wherever necessary in the "remarks column."

5. Receipts.—No credit has been taken for a grant from Provincial Funds—vide Revenue Board's Proceedings, No. 1876, dated 25th August 1881.

6. The receipts from Special Funds are estimated at Rs. 300 against Rs. 5,410 in the current year's budget as per particulars below:—

	Budget Estimate, 1883-84. RS.	Budget Estimate, 1882-83. RS.
1. Surplus Pound Fund		
2. Ferry Rents	300	300
3. Avenues		1,900
4. Fisheries		10
		3,200
Total	300	5,410

7. The decrease is owing to the transfer of Ferry Rents, Avenues and Fishery Rents from Special Funds to other heads in accordance with paragraph 3 of Board's Proceedings, dated 21st August 1882, No. 2095.

8. The following are the only items in which the estimated receipts of the year differ from those entered in the current year's budget:—

	Budget Estimate, 1883-84. RS.	Budget Estimate, 1882-83. RS.
Tolls		
School Fees	2,350	2,800
Avenues	300	100
Fines and Penalties	20	10
	60	30

9. The income from tolls consists of half the tolls collected by the Chicacole Municipality. The amount for which the Municipality sold the tolls for 1882-83 is Rs. 4,705; a moiety of it is put down as the probable receipts for 1883-84.

10. Rupees 300 are expected to be collected as school fees from the Tekkali Feeder School and Practising School attached to the Chicacole Normal School.

11. The receipts from the other two items are based on the actuals for 1881-82.

12. The entire receipts amount as stated above to Rs. 1,20,090, of which Rs. 85,220 belong to Road Fund and Rs. 34,870 to General Funds.

13. The income from Fishery Rents is as in the current year included in the General Fund instead of in the Road Fund, the former being insufficient to meet the charges falling on it as this was ordered by Government for the year 1882-83—vide G.O., No. 676, dated 13th July 1882, paragraph 7.

	RS.
14. The expenditure is classified under the various grants as follows:—	
Grant I	80,260
Do. II	16,110
Do. III	16,190
Do. IV	3,128
General Reserve	305
Balances—

Total	1,20,090

15. The particulars of expenditure under Grant I are —

Communications	{ New Works ...	24,240
	{ Repairs ...	40,880
Buildings	{ New Works ...	500
	{ Repairs ...	500
Avenues		8,550

Tools and Plant		300
Contingencies		4,790

Total		80,260

16. The particulars of the new works under Communications are —

1. Improvements to Trunk Road No. 6 on sandy portion near Naupada, sanctioned in G.O., Financial Department, No. 210, dated 31st January 1876	3,590
2. Beach Road, Calingapatam, sanctioned in Revenue Board's Proceedings, No. 2369, dated 23rd August 1878, and 24th March 1882, No. 2155	600
3. Road Dam with tunnels across Musalaya Gedda in the 33th mile of Trunk Road	2,000
4. Road from Goppili to Mandasa sanctioned in G.O., No. 199, dated 5th October 1874	840
5. Replacing the fallen arches of the Chicacole bridge	15,000
6. Constructing a tunnel in the 14th mile of Jagannadhapur road.	600
7. Constructing a covered stone tunnel of 2 feet span across the Mofusbader road	70
8. Constructing a tunnel in 8th furlong of 12th mile of Alikam road	500
9. Constructing two tunnels of 2 vents of 6 feet span each, one in 2nd mile and the other in 6th mile of Alikam road	1,035
Total	24,235

17. Item No. 1.—The amount of the estimate is Rs. 23,789. The expenditure on this work up to the end of March 1881 was Rs. 16,304-7-5, and the amount spent in 1881-82 was Rs. 2,442-3-11, making a total of Rs. 18,746-11-4, and leaving a balance of Rs. 5,042-4-8 at the beginning of the current year. The amount provided for expenditure in the current year is Rs. 1,449, vide the regular estimate, and the balance, viz., Rs. 3,593-4-8, or Rs. 3,590 in round number which is required for the completion of the work, is put down in the next year's budget.

I must here remark that in the Monthly Progress Reports furnished by the Collector up to the end of February 1882, the expenditure up to the end of 1880-81 was entered as Rs 16,304-7-5, but in the Progress Report for March 1882, the above figure was altered to Rs. 19,897-12-7. The difference between the two sums is Rs. 3,593-5-2, and this Board have received no explanation of this difference. If the Collector's figure be taken as correct and the expenditure incurred in 1881-82 be added to it, the balance would be only Rs. 1,449, which is the amount entered in the regular estimate for 1882-83. The reason for adding the sum of Rs. 3,593-5-2 referred to above to the expenditure will be inquired into, and, if it be found that it was properly added, a supplemental estimate for the sum entered in the next year's budget will be submitted.

18. *Item No. 2.*—The amount of estimate is Rs. 4,490, of which Rs. 3,150-14-0 was spent up to the end of March 1882. The amount which will be spent in the current year is Rs. 737, and the balance is provided in the present budget.

19. *Item No. 3.*—The plan and estimate for this work have been submitted to the Superintending Engineer to be checked by him; when returned by him, they will be forwarded to the Board of Revenue for sanction. The amount of the estimate is Rs. 8,050, of which Rs. 2,000 are entered in the budget for expenditure in the next year.

20. *Item No. 4.*—The amount of estimate is Rs. 4,990, of which Rs. 3,148-9-2 were expended up to 1878-79, *vide* the President's letter to the Board of Revenue, dated 2nd November 1881, No. 3085, and Rs. 1,000 will be spent in the current year; the balance, Rs. 840, is provided in the budget.

21. *Item No. 5.*—Replacing the damaged arches of the Chicacole bridge. A sum of Rs. 10,000 is provided in the current year's budget. The Superintending Engineer has been requested to prepare at a very early date alternative plans and estimates, one for iron girders and the other for masonry arches. It is yet possible to submit them to Government for sanction before the close of the current year. As, however, it cannot be expected that the sanction of Government will be received in time to spend so large a sum of Rs. 10,000 within the year, only Rs. 2,000 are provided in the regular estimate and Rs. 15,000 are entered in the next year's budget.

22. The other four items are petty works within the competency of the Circle Board to sanction. The tunnels in question are considered necessary for the safety of those portions of roads where they are proposed to be built.

23. *Communications, Repairs.*—The names of the following roads have been changed with a view to greater clearness:—

Name as hitherto entered.	Name as now changed.
Road from Púndi to Varanasi <i>viâ</i> Parlákimedi, 39½ miles.	1. Road from Parlákimedi to Púndi, 26 miles. 2. Road from Parlákimedi to Varanasi, 19½ miles.
Road from Naupada to Parlákimedi <i>viâ</i> Malapata, 25½ miles.	Road from Maliaputti to Naupada from junction at 6th mile on Parlákimedi-Púndi road, 18½ miles.

24. The total length of these two roads is now reported to be 45½. The road from Púndi to Varanasi has been hitherto entered as 39½ miles as the distance from Parlákimedi to the 6th mile on the east has been hitherto considered as part of the road from Naupada to Kimedi which is now called the road from Maliaputti to Naupada.

25. The provision under this head has been raised from Rs. 34,900 to Rs. 40,880. The maintenance grants were reduced in the current year, and it has been found in some cases that with the reduced grants the roads cannot be maintained in satisfactory order. An increase has therefore been allowed where necessary. It has also been found necessary to sanction estimates for special repairs to portions of the Alikam road (Rs. 2,000), and of the road from Chicacole to Calingapatam (Rs. 2,000).

26. Rupees 500 are provided as in the current year for annual repairs to travellers' bungalows, rest-sheds, &c., as per accompanying last.

27. The current year's grant is repeated for the upkeep of avenues.

28. *Establishment.*—Rs. 8,550 are provided for the Road Establishment against Rs. 7,970 of the current year's grant as particularized below:—

	1883-84.	1882-83.
	RS.	RS.
Chicacole Range	6,420	5,840
Parlákimedi do.	2,130	2,130
Total ...	8,550	7,970

The estimate for 1883-84 provides for an increase of Rs 50 per mensem in the pay of the Local Fund Supervisor which will be separately submitted for the orders of the Board as directed in their Proceedings, No. 2095, dated 21st August 1882. It also provides for the pay and travelling allowance of an additional clerk for the Supervisor—*vide* President's letter, No. 2825, dated 24th August 1882. The current year's grant for the supervision of the Local Fund roads in the Parlákimedi estate is repeated as the question as to the charge for supervision is not yet settled.

29. The current year's budget grant of Rs. 200 for contingencies being found insufficient, it has been raised to Rs. 300 in the regular estimate and an equal amount is provided in the next year's budget. This amount may roughly be distributed as follows:—

	RS.
Records, carriage hire	100
Office, house-rent	60
Postal charges	40
Binding and charges of account books, repair of office furniture and other sundry expenses	100
Total ...	300

30. A sum of Rs. 4,790 calculated at 10 per cent. on the estimated receipts is put down as Reserve.

31. *Grant II.*—The estimated charges under this head are as follows:—

	1883-84.	1882-83.
	RS.	RS.
(a) Payment for Inspection	2,270	2,270
(b) Training Institutions	1,460	1,400
(c) Local Fund Schools—		
(1) Salary System Schools	490	370
(2) Combined System { Fixed	4,500	4,500
Schools. { Payment by Results.	2,160	2,610
(d) Grants-in-aid—		
Results Grants	5,000	3,500
(f) Purchase of Books	200	200
Commission on sale of Books	30	30
Total ...	16,110	14,880

32. (b) The grant under this head is raised from Rs. 1,400 to Rs. 1,460. The building now used for the Chicacole Normal School and the Practising School attached to it and for which a monthly rent of Rs. 5 is now paid is insufficient, and increased rent at Rs. 10 per month for a more spacious building will be required.

33. The grant for Local Fund Schools on salary system is raised from Rs. 370 to Rs. 490, *vide* particulars below:—

	RS.
Current year's grant	372
Deduct house-rent as the building has been given up to Local Fund Board	24
Salary of an additional Master at Rs. 8 per month	348
Allowance to the Head Master of the Government School at Tekkali for supervising the Local Fund School	96
Special Contingencies for furniture	25
	19
Total ...	488

34. Rupees 2,160 are provided for payment by results, Combined System Schools, against Rs. 2,610, as the former figure is put down by the Deputy Inspector of Schools as sufficient.

35. A sum of Rs. 5,000 is provided for results grants against Rs. 3,500 entered in the current year's budget. The Deputy Inspector estimates the next year's expenditure at Rs. 5,500, but the experience of past years shows that the allotment of Rs. 5,000 will be sufficient. The Local Fund Board have resolved, on 18th September 1882, to open a Middle School at Narsannapet, but funds will not admit of this being done in the coming year.

36. The current year's grants for purchase of books and commission on sale of books are repeated.

37. *Grant III, Sanitation, &c.*—The charges under this grant are as follows:—

	1883-84.	1882-83.
	RS.	RS.
1. Hospitals	5,700	4,780
2. Vaccination	2,700	2,420
3. Sanitary Establishment	3,052	
Works undertaken for Water-supply	1,020	
Works undertaken for improvement of Village-sites	1,128	
4. Charges in connection with Travellers' Bungalows ...	300	300
5. Contribution to—		
(1) Medical College	370	370
(2) Vaccination Charges at Madras	370	370
(3) Chicacole Hospital	900	900
6. Miscellaneous—		
Midwife	...	360
Dieting Lunatics	250	200
Cholera Charges	100	100
Travelling Allowance of Medical Subordinates ...	300	200
Total ...	16,190	15,150

38. *Item No. 1.*—The increase is due to making provision for two Civil Apothecaries in place of Hospital Assistants now in charge of the dispensaries at Tekkali, Raghunadhapur and Calingapatam—*vide* G.O., dated 10th March 1882, No. 286, Financial Department.

39. *Item No. 2.*—The increase in this item is due to the entertainment of three Probationary Vaccinators and also to making provision for travelling allowance of Deputy Inspector of Vaccination at one rupee per diem—*vide* Revenue Board's Proceedings, No. 2514, dated 27th October 1881, and Chicacole Circle Board's Resolution, dated 9th March 1882, paragraph 18.

40. *Item No. 3.*—The increase is only Rs. 50, of which Rs. 30 are provided for sanitary arrangements for Sivaratri feast at Liveri in the Parlakimedi Estate, and the remaining Rs. 20 are added to the provision for water-supply.

41. The grant for dieting lunatics is raised from Rs. 200 to Rs. 250 with reference to the amount of expenditure incurred in the first five months of the current year.

42. The increase in the travelling allowance of Medical Subordinates is owing to provision being made for the travelling allowance of the Surgeon at Chicacole who has to inspect the other dispensaries in the circle.

43. The current year's grants are repeated in the case of the other items, except that no provision has been made for a midwife as we have been without a midwife for two years, and there appears to be no probability of our getting one during 1883-84.

44. *Grant IV.*—The charges under this head are the following:—

	1883-84.	1882-83.
	RS.	RS.
(a) Contribution to Controlling Establishment at the Presidency	750	840
(b) Contribution to the District Audit Establishment	284	440
(c) Contribution to the Controlling Establishment in Collector's Office	394	430
(d) Establishment of the Circle Local Fund Board's Office ...	450	450
(e) Contingencies	1,000	1,000
(f) Travelling Batta to Non-official Members	250	250
Total ...	3,128	3,410

45. The only variation between the figures of the two years is in item (a). The grant put down for item (a) is the amount advised in Revenue Board's Proceedings, No. 1565, dated 17th June 1882.

46. A sum of Rs. 305 is set apart for General Reserve to meet unforeseen charges. This reserve should be Rs. 2,690 calculated at 10 per cent. on the estimated receipts of the General Fund, but only the sum provided is available.

47. The entire estimated charges under all grants including the General Reserve amount to Rs. 1,15,993, of which Rs. 81,123 belong to Road Fund and Rs. 34,870 to General Fund.

48. The year is expected to close with a balance of Rs. 4,097 in Road Fund and no balance is expected in General Funds.

49. The road map of the circle is herewith enclosed.

50. A statement showing the details of the sanctioned establishment is also enclosed.

READ—the following letter from Surgeon A. J. STURMER, Secretary to the Surgeon-General with the Government of Madras, to the Secretary to the Board of Revenue, dated Madras, 29th November 1882, No. 6218:—

I have the honor, by desire of the Surgeon-General, to report to your Board that the sum set apart in Grant III of the 1883-84 Local Fund Budget Estimate of the Chicacole Circle for the maintenance of the three dispensaries is sufficient and calls for no remarks.

2. A sum of Rs. 370 is entered as contribution towards the expenses of the Medical College.

READ—the following letter from Deputy Surgeon-General M. C. FURNELL, M.D., F.R.C.S., Sanitary Commissioner for Madras, to the Secretary to the Board of Revenue, dated Madras, 4th December 1882, No. 1169:—

I have the honor to report, for the information of the Board, that ample provision has been made by the Chicacole Local Fund Board for the sanitary requirements of the circle. Rs. 5,200, or 24 per cent. of available income, have been allotted, which is to be distributed as follows:—

	RS.
Improvement of Water-supply	1,020
Improvement of Village-sites	1,128
Scavenging Establishments	2,812
Fairs and Festivals	190
Contingencies	50
Total ...	5,200

2. The Vaccination grant amounts to Rs. 2,700. It appears to be adequate for the establishment employed; but the staff is deficient of one First-class Vaccinator. There are three taluks in the circle, while the Board employ only two First-class Vaccinators. On two former similar occasions successively I brought this to notice, but no improvement has been made. It is satisfactory to note that the Board propose, at my suggestion, to raise the travelling batta of the Deputy Inspector of Vaccination to one rupee a day.

RESOLUTION—dated 23rd January 1883, No. 177.

The Local Fund Budget Estimate of the Chicacole Circle for 1883-84 is herewith submitted for the orders of Government.

REGULAR ESTIMATE FOR 1882-83.

2. *Statement I-A, Receipts.*—The closing balance of 1881-82 advised by the Accountant-General has been adopted as the opening balance in the regular estimate. It is distributed among the minor funds as follows:—

	RS.
Road Fund	46,547
General Fund	16,897
Total ...	63,444

The actuals are more than the estimate by Rs. 15,424, the increase being due to short expenditure in 1881-82, especially under Grant I. The *Cess on Land* is put down at Rs. 65,000 as in the Budget. In the Demand, Collection, and Balance Statement of Land Cess appended to the Regular Estimate, Rs. 7,333 are given as the actual current collections in the first five months of the year, but from the monthly account for August the amount would appear to be Rs. 8,262. It is observed that the anticipated collections are 89 per cent. of the total demand. The income from *Tolls* derived from a moiety of the Chicacole Municipal Tolls has fallen short by Rs. 448. The Municipal contribution on account of Educational Inspection is omitted, as it appears the Chicacole Municipality has made its own arrangements for the purpose. The other items of receipts do not call for remark. The total assets, aggregating Rs. 1,38,270, are made up of—

	RS.
Road Fund	94,548
General Fund	43,722
	1,38,270

3. *Statement B, Expenditure.*—The probable outlay on New Works and Repairs—Communications is given as Rs. 6,153 and Rs. 41,908 against the Budget allotments of Rs. 15,400 and Rs. 34,900. The large saving under New Works is mainly due to only Rs. 2,000, being expected to be spent on the Chicacole Bridge out of an allotment of Rs. 10,000. The list of subsequent allotments and transfers submitted by the Vice-President has been incorrectly prepared. The following discrepancies occur in it. Rs. 170 sanctioned in Board's Proceedings, dated 23rd September 1882, No. 5497, R.S., for repairing and improving the Arasavelly Bridge is shown under both New Works and Repairs. Rs. 2,160 were sanctioned in the same Proceedings on account of special repairs to the Gara and Chintada Road, whereas only Rs. 1,621 are entered in the statement. Rs. 431 sanctioned for New Works in the List of Incomplete Works, printed in Board's Proceedings, dated 6th July 1882, No. 1731, is included under Repairs. No application has yet been received for the additional allotment of Rs. 629 required for repairing the Trunk Road (Item No. 1 in the Budget). The President is requested to expedite its submission. Additional allotments to the extent of Rs. 1,650 have been sanctioned by the Board for the repair of Civil Buildings as specified in the list of subsequent allotments and transfers. The total allotment under Grant II exceeds the Budget grant by Rs. 1,345. The President should have submitted a separate application for the allotment of the excess which is now sanctioned from the General Fund Reserve and Balance. The assignment of Rs. 370 for Vaccine Inspecting Agency under Grant III is struck out, as it is not likely the amount will be required during the current year. The variations in the other items of expenditure are explained in the remark column of the Regular Estimate. The following is an abstract of the charges in the Regular Estimate:—

BUDGET ESTIMATE FOR 1883-84.

4. *Statement I-A, Receipts.*—The current year's estimate of *Land Cess*, Rs. 65,000, is adopted for the ensuing year also, and is 89 per cent. of the total demand. It may be accepted. The other items of receipt are mostly repetitions of the figures of the Regular Estimate and do not call for remark. Taking credit for the transfer of Rs. 3,200, *Fishery Rents*, from the Road to the General Fund with reference to paragraph 7 of G.O., Financial Department, of 13th July 1882, No. 676, the assets are distributed as follows:—

	RS.
Road Fund	85,080
General Fund	35,570
	120,650

5. *Statement B, Expenditure—Grant I, Public Works.*—Under Communications, Rs. 24,240 are provided for ten new works, five costing more than Rs. 1,000 each, and five costing less. Of the former three are sanctioned works, and are in course of construction. The remaining two are the Chicacole Bridge and a road dam with under-tunnels across Musalayya Gedda on the Trunk Road. It is stated that estimates for both these works are expected shortly from the Superintending Engineer. With reference to the President's explanation at paragraph 8 of his letter, the computed expenditure up to 31st March 1883 on Item No. 1 in Statement II-A, Part 1 of the Budget will be altered to Rs. 20,199. Nothing is entered under New Works for Civil Buildings and Miscellaneous Public Improvements. The assignment for Repairs—Communications, including Rs. 4,000 provided for special repairs to two roads, is Rs. 40,880 against the current year's allotment of Rs. 34,900. It is stated that the maintenance grants of several of the roads have been raised, as those given for the current year have been found insufficient for their proper upkeep. Rs. 500 have been assigned for executing minor repairs to Local Fund building, and an equal amount has been set apart for the maintenance of avenues. The allotment for Local Fund Engineering Establishment is Rs. 8,550 against Rs. 7,970 in the current year's Budget. The difference is due to the increase to the salary of the Supervisor sanctioned in G.O., Financial Department, dated 16th December 1882, Miscellaneous No. 1964, and to the entertainment of an additional clerk under him sanctioned in G.O., Financial Department, dated 17th October 1882, Miscellaneous No. 1497. The cost of the Engineering Establishment includes as in the current year the provision of Rs. 2,130 for the supervision of the roads in the Parlákimedi Estate. Recently the President proposed to make over to the Estate Engineer all the roads in it

together with the Road Fund share (two-thirds) of the land cess collected in it, no further charge being entailed on Local Funds on account of these roads for supervision or contingencies. The Board, while willing to accept the arrangement for any particular year, decided that the payment of two-thirds should not be made a permanent agreement, as it is objectionable on principle to admit that any zemindari or other sub-division of a circle is entitled to have the whole of the Road Fund portion of the land cess spent on the roads within it. The President was therefore desired to ascertain the views of the Circle Board whether they wished to bring about the arrangement in the ensuing year. No reply has yet been received. Pending settlement of the question, the provision for establishment will stand. The full amount of the Road Fund Reserve, viz., Rs. 4,790, is provided in the Budget. The share of the cost of the general management chargeable to Road Fund will be raised to Rs. 2,210. The total Road Fund expenditure amounts to Rs. 81,330, leaving a balance of Rs. 3,750.

6. *Grant II, Education.*—Rs. 2,270 are allotted for Educational Inspection as in the current year. The allotment for the Elementary Normal School at Chicacole has been slightly raised to meet an enhanced rate of house-rent. The assignment of Rs. 490 for the salary system school at Tekkali will be reduced to Rs. 470, as the Board have already intimated to the Circle Board that their proposal to pay the Head Master of the Government School at that station an allowance of Rs. 25 for superintending the Local Fund School is opposed to the orders of the Government of India, communicated in G.O., No. 598, Financial Department, dated 29th June 1882 (Board's Proceedings, dated 16th November 1882, Miscellaneous No. 8875). The President is requested to state whether the additional Master on Rs. 8 has been already sanctioned, and if so, to quote the number and date of sanction. As regards the combined system schools, it is observed that some of the names as given in Statement III are different from those of previous years. The President is requested to explain. The figure in the Regular Estimate is repeated for Result Grants. The Director's remarks on Grant II are awaited.

7. *Grant III, Medical and Sanitary.*—The estimated expenditure on "Hospitals and Dispensaries" exceeds this year's grant by Rs. 920 owing mainly to the substitution of Civil Apothecaries for Hospital Assistants. Rs. 2,700 and Rs. 5,200 are assigned for "Vaccination" and "Sanitation," respectively, against Rs. 2,420 and Rs. 5,100 in the current year. The attention of the Circle Board is specially invited to paragraph 2 of the Sanitary Commissioner's letter read above. The other items of expenditure under this grant having been fully explained by the Vice-President do not call for remark.

8. *Grant IV, Miscellaneous.*—The items under this grant also do not call for remark. The General Reserve calculated at 10 per cent. of the receipts amounts to Rs. 2,690, but only Rs. 1,230 are available.

9. The following is an abstract of the Budget as revised by the Board:—

2. *Regular Estimate for 1882-83.*—The increase of Rs. 15,424 in the opening balance of the regular estimate over that of the sanctioned budget is ascribed to short expenditure under Grant I in 1881-82. The Cess on Land is estimated at the same figure as in the budget, the anticipated collections forming 89 per cent. of the total demand. The sum of Rs. 20 shown as interest on arrears of Land-cess should appear under "7, Miscellaneous" and not under "Land-cess." Under Tolls the receipts are estimated as Rs. 2,350, which is said to be a moiety of the amount realized in the sale by the Chicacole Municipality. It is observed, however, that the amount shown in the regular estimate of the Chicacole Municipality is Rs. 2,440. The difference should have been explained. In other respects the Board's revision of the regular estimate is approved.

3. *Budget Estimate for 1883-84.*—The estimated receipts for 1883-84 follow closely on the lines of the regular estimate and call for no special remarks. The Government observe, however, that the anticipated arrear collections under Land-cess form only 51 per cent. of the demand, which is not satisfactory; and that the amount assigned in the Chicacole Municipal Budget as the share of Tolls revenue due to the Local Fund Board is Rs. 2,400, whereas the Board take credit for no more than Rs. 2,350. Under Charges a sum of Rs. 24,240 is provided for New Works, including Rs. 22,030 for five new roads, of which three are sanctioned works and are already in progress. The estimates promised for the remaining two should be expe-

dated and sanction obtained before the works are commenced. Ample provision is made for the repair of Communications. The provision for Local Fund Engineering Establishment includes, as in the previous year, a charge of Rs. 2,130 for the supervision of roads in the Parlákimedi Estate. As, however, it appears since to have been decided * during the current year to

* Board's Proceedings, 12th April 1883, No. 1029. make over to the Estate Engineer all the roads in the estate, together with the Road

Fund share of the Land-cess collected in it, the provision will require revision, which the Board of Revenue will effect as soon as the proposals promised are received.

4. Under Grant II, the provision for Local Fund Schools will be raised to Rs. 7,150 with reference to paragraph 3 of the Board's Proceedings, dated 7th May 1883, No. 1280. The increased allotment for results grants is noted. In paragraph 11 of his letter, submitting the budget, the President states that the share of the cost of the Collector's and Audit establishments as revised is Rs. 394 and Rs. 284, respectively; but it is not explained when and how this revision of the establishment was carried out. On the other hand, the revised proposals called for in G.O., 11th December 1882, No. 1923, have not as yet been submitted to Government.

5. The remaining items call for no remark, but the Government note that the condition of the General Fund is unsatisfactory, and the Board of Revenue will report whether in the circumstances it would be advisable to transfer the receipts from Pound Fund and ferry rents, amounting to Rs. 2,200, from the Road to the General Fund.

6. With these remarks the Right Honorable the Governor in Council passes the Budget Estimates of the Chicacole Local Fund Circle for 1883-84.
