2. *Regular Estimate for 1882-83.*—The remarks of the Board on the regular estimate are generally approved. It is observed, however, that the arrears of land-cess, amounting at the commencement of the year to Rs. 12,699, extend over a period of ten years, and that no explanation is furnished of the fact. Of this sum, it was expected that Rs. 12,000 would be realized before the end of the year.

3. *Budget Estimate for 1883-84.*—The estimated receipts for 1883-84, excluding the opening balance, exceed last year's budget by Rs. 270, and the regular estimate by Rs. 1,010. The variations under the several heads are duly explained and call for no remark.

4. Under Charges no assignment is made for adjustment of the famine debt for want of funds. For the same reason the Road Fund and General Fund close with *nil* balances. The allotments under the several grants appear to be well considered and meet with the general approval of Government. It is observed that the Educational proposals referred to in the Board's Proceedings first read above, have already been sanctioned in G.O., 4th December 1882, No. 1838, Mis. and G.O., 13th December

1882, Mis. No. 1948. Credit will now be taken, as suggested by the Director of Public Instruction, for a Provincial grant for schools, of Rs. 500, and the allotment for results grants will be raised by a like amount.

5. With these remarks, the Right Honorable the Governor in Council passes the Budget Estimate of the Hosūr Local Fund Circle for 1883-84.

3. Statement II-C, forwarded by the President, with his letter recorded in the Board's Proceedings, dated 21st March 1883, No. 2561, Miscellaneous, will be embodied in the Budget.
