7TH AUGUST 1883, No. 2163 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following letter from J. C. LARMINIE, Esq., Executive Engineer, Nilgiri Division, to the Superintending Engineer, Fourth Circle, dated Ootacamund, 21st July 1883, No. 180 :—

I have the honor to bring to your notice that in paragraph 2 of G.O., No. 2691 W., dated 16th October 1882, the limit of reserve stock for this division was fixed at Rs. 6,000 for two years from that date. It is always found difficult to keep the stock balance within that limit, and from the time the Government Order was passed the stock balance has been every month entered in the Objectionable Items Statements. The balance at the end of June 1883 has been Rs. 17,422-2-6, composed of the following items :—

	RS.	A.	P.
Building Materials	14,618	2	7
Miscellaneous	65	2	6
Stock Manufacture, Land and Kilns	2,738	13	5
Total	17,422	2	6

Under the head Building Materials the largest item is bench bricks at Wellington, 529,903 at Rs. 12 per 1,000 = Rs. 6,340-10-10, and looking to the present state of the grant for works during the current official year, it will take some time for these bricks to be all used up.

2. Under these circumstances, I have the honor to request that sanction may be obtained for the reserve being increased to Rs. 15,000 for two years from date of Government Order quoted above.

No. 304 G.W.

Endorsement on the above.

Submitted to the Chief Engineer, Public Works Department, with a view of obtaining sanction for the limit of reserve stock in the Nilgiri Division being raised from Rs. 6,000 to Rs. 15,000.

2. As no good building materials can be had in the Nilgiris, there should always be a large reserve stock in hand to avoid delay in the execution of sanctioned works.

3. The stock of bricks at Wellington will be useful when the bakery or church is sanctioned.

COIMBATORE,
30th July 1883.

(Signed) J. BEATTY, Colonel, R.E.,
Superintending Engineer, Fourth Circle.

ORDER—dated 7th August 1883, No. 2163 W., Public Works.

Sanctioned under the circumstances stated.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

No. 92.

READ—the following letter from Lieutenant-Colonel H. R. MEAD, R.E., Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 28th September 1882, No. 413 :—

I have the honor to request that you will be so good as to obtain the sanction of Government for manufacture of reserve stock materials to the extent of Rs. 31,431, as per the undermentioned estimates submitted by the Executive Engineer, Nilgiri Division, who requires a large supply of bench bricks for execution of several works on the Hills :—

	RS.
I. For improvements to brick-fields at Kandal, Stonehouse Hill and Lovedale	30,557
II. For providing the necessary plant for brick manufacture at do. do. ...	723
III. Repairs, &c., to the plant in the brick-fields at do. do. ...	151
Total ...	31,431

I further request that the reserve limit of the division be raised to Rs. 6,000 in place of Rs. 2,000, fixed in G.O., No. 914 W. of 4th April 1881, as it is necessary on the Nilgiri Hills, where bricks can only be made in the months of December to April, to have a large stock in hand, there has been and will be this year considerable delay in the execution of work owing to there being no materials in hand. I need not point out that there are no materials in the public market.

No. 31.

ORDER—dated 16th October 1882, No. 2691 W., Public Works.

The undermentioned estimates amounting to Rs. 31,431, for the manufacture of reserve stock materials in the Nilgiri Division, are sanctioned and registered as shown below :—

(1.) Repairs to the plant in the brick-fields at Kandal, Stonehouse Hill and Lovedale	RS. 151	Register No. 134/1 W. of 1882-83.
(2.) Improvements to brick-fields and burning bricks at do.	30,557	" " 134/2 W. "
(3.) Providing the necessary plant for brick manufacture at do.	723	" " 134/3 W. "

2. Under the circumstances stated by the Superintending Engineer, the limit of reserve stock in the Nilgiri Division is raised to Rs. 6,000 for a period of two years, after which the Superintending Engineer will report whether it is necessary to continue the higher limit.

(True Extract.)

The Executive Engineer

Nilgiri Division

To

The Superintending Engineer
4th Circle.

Sir

I have the honor to bring to your notice that in para 2 of G.O. No. 2691 W. dated 16th October 1882, the limit of Reserve Stock for this Division was fixed at Rupees 17,422.26 for 2 years from that date. It is always found difficult to keep the Stock balance within that limit and from the time the G.O. was passed the Stock balance has been every month entered in the Accountable Items Statements. The balance at the end of June 1883 has been Rupees 17,422.26 composed of the following items

Building materials	14,618-2-7
Miscellaneous	65-2-6
Stock manufacture Land & Kilns	2,738-13-5
	17,422-2-6
Under	

Under the head Building materials the largest item is Bench Bricks at Wellington 5,29,908 at 12 Rs per 1000 = Rs. 6,340-10-10 and looking to the present state of the grant for works during the current official year it will take some time for these Bricks to be all used up.

Under these circumstances I have the honor to request that sanction may be obtained for the Reserve being increased to Rs. 15,000 for 2 years from date of G.O. quoted above.
