GOVERNMENT OF INDIA.

PUBLIC WORKS DEPARTMENT.

GENERAL.

To

The Secretary to the
Government of Madras,
Public Works Department.

Simla, the 5th July 1883.

Sir,

B. paper at
Madras.

In reply to your letter ¹⁵²¹ N^o 1514 of the 2nd June 1883, forwarding for consideration correspondence regarding the position of Major L. Bowen, R.E., in the Public Works Dept., I am directed to state that the Government of India is unable to entertain the proposal for sanctioning a personal allowance to Major Bowen, as compensation for his not yet having been promoted to the Superintending Engineer Class, but after due consideration, can it afford him relief by transferring him to the Local Administration list, which is under its immediate control, as there are no vacancies on that list, even admitting that such a transfer would be allowable with due consideration to the interests of the officers who belong to that list.

2. At the same time I am to add that Major Bowen's past services will doubtless receive due consideration from the Madras Government when his turn for promotion on the Madras list comes round.

I have the honor to be,

Sir,

Yours most Obedt. servant,

G. H. Walker
