returned

With reference to G. O. No. 596 N
dated 23rd February 1883, I have
the honor to report, that in my
letter No. 1814 of the 14th August 1882,
I have stated (in reply to G. O. No. 1589 N
of the 22nd June 1882,) the conditions on
which Messrs Morgan and Strange
are willing to surrender their lands bor-
-dering on the Chydar. viz on their
having the outlay they have incurred
refunded, and on its being certi-
fied that the land is required
for

for a specific object.

2. Mr. Barclay has stated that Mr. Morgan will not care to retain Plot No. 296, but will surrender it on payment of the amount expended on the trees up to date.

3. I enclose a Survey and Schedule showing the area and description of the lands required for training the Adyar River and describing the boundaries and extent of the land to be resumed by the Government, as called for in your Memorandum No. 725 G, dated 13 September 1882. Plot No. 296 is not included in the area marked on the Survey. The Executive Engineer cannot ascertain whether this plot was included in the land acquired

acquired by Government in 1858-64.

4. The total extent of land required to be taken up for flood and training banks is 88.99 acres and consists of

	Acres
Government Wash	41.45

Ground in the Government Farm	6.82
---	------

Hamme land on the South Bank belonging to Government but encroached upon by the Adyar Zemindar	2.74
--	------

Hamme lands on the South Bank within the boundary marked out by Executive Engineer Mr. Kennedy but regarding which, it is not known in the P. W. Department whether they were purchased by Government or not	11.23
--	-------

Land in occupation by
Mr. Morgan and now
the reserved 22.06.

Land in the Chief Justice
& the Justice Peruan's
Compounded 4.69.

I have the honor to be
Sir

Your Most Obedient Servant
Rushenden at
