PROCEEDINGS of the MADRAS GOVERNMENT.

READ the following letter.

from the Registrar of the High Court of Judicature at Madras, Appellate Side, dated 30th November 1882 No. 2889.

In forwarding to Government the accompanying letter, (dated 21st November 1882 No. 540) from the Acting District Judge of South Malabar, bringing to notice the dangerous state of the Court-house buildings at Calicut, I am to request that Government will be pleased to issue early orders to the Public Works Department to take in hand the construction of the new buildings, the plans and estimate for which were called for in the order of Government, dated 25th June 1881 No. 1247.

Letter

Letter from the Ag District Judge of South Malabar, to the Chief Secretary to Government, dated Calicut 21 Nov/82 No. 540. through the High Court.

. . . I have the honor to call the attention of Government to the fact that nothing appears to be doing towards the erection of the new Court buildings here, sanctioned in G.O. No. 1247, dated 25 June 1881. The present building has been condemned for seven years and is in an extremely dangerous state. During Sessions, when sometimes crowds of people throng the Court, the loss of life would be great should the building come down with a run as is not unlikely. The establishment is also put to the greatest inconvenience by the present state of the building. Some of the rooms are almost uninhabitable. The Subordinate Judge has been obliged to give up his private room owing to the condition of the walls and roof. All his work must now be transacted in open Court which is highly inconvenient

---

Order thereon 6th December 1882 No. 2068 Pris.

Communicated to the Public Works Department with request that very early orders may issue with reference to G.O. 25th June 1881 No. 1247. The matter is pressing.

Remarks in regard to the percentages of Establishment charges on the expenditure in connection with Irrigation Works, being an extract from the Note which accompanied the Irrigation Budget Estimates for 1883-84.

25. The statement marked D, which has been prepared with reference to the Government of India letter No. 381 A.G., dated 30th November 1882, communicated with G.O., No. 3324 W., dated 15th December 1882, shows the following rates of percentage which the charges for establishment bear to the expenditure on works and repairs :—

—	Actuals for 1881-82.	Regular Estimate for 1882-83.	Budget Estimate for 1883-84.
Imperial.			
Productive Public Works	38·84	51·37	43·17
Irrigation and Navigation, Agricultural Works	28·68	20·42	17·69
Provincial.			
Irrigation and Navigation Works	27·49	27·02	26·99

The establishment charges are not based on the cost of establishment actually employed on the works, but on fixed rates of percentage calculated on outlay and revenue up to the end of 1881-82 ; the rate of percentage on expenditure was 25, and in the case of Productive Public Works, Capital Account, the charge was calculated on the actual expenditure on works, exclusive of land compensation, and in the case of other works on the grant or outlay, whichever was greater. The cost of the following establishments was also charged to Irrigation :—

(1) Chief Engineer for Irrigation and his Establishment.
(2) Temporary Survey Establishment.
(3) Water Regulation, Navigation and River Conservancy Establishment.
(4) Special Revenue Investigation Establishment.

From the 1st April last the rate of percentage on outlay has been reduced from 25 to 23, and the following rates of percentages on revenue have been fixed in lieu of the cost of the special establishments :—

10 per cent. on revenue collected in the Public Works Department.
6 per cent. on revenue collected in the Revenue Department from the Productive Public Works.

The percentage charge is not calculated on outlay for repairs to Minor Irrigation Works under the charge of Collectors, and therefore the average rate of establishment charges for 1882-83 and 1883-84 for Irrigation and Navigation and Agricultural Works is less than 23 per cent. The cost of establishment actually employed in the Project Divisions for the investigation of projects is charged to "Protective Public Works," and the charge cannot be compared with *works* outlay, as the projects are still under investigation.
