G.O., dated 8th August 1883, No. 4357, Military.

Read—the following letter from the Superintendent of Family Payments and Pensions, to the Secretary to Government, Military Department, dated Fort St. George, 31st July 1883, No. 1060 :—

I have the honor to bring to the notice of Government that the Officer in charge of Family Payments and Pensions at Arni brings to the notice of this office that the Executive Engineer, North Arcot Division, has informed him that the buildings in the Arni Fort were declared, under the Order of Government, No. 2089, dated 23rd August 1881, to be struck off the Military Returns in 1855, and such as are required were directed to be transferred to the Civil Department, the rest demolished ; and he requests to know when and by whom, and under what condition, the Subaltern's quarters in the said Fort, which are and have been used as Family Payment and Pension Office at that station, has been handed over to the Pension Officer.

2. The Engineer, in reply, was informed that the above information can neither be traced in this office nor in the Arni Pension Office, but as the said Subaltern's quarters have been used as a Pension Office at Arni for a period of more than twenty-five years, he was asked whether there was any objection to its continuance, and replied that it can be allowed under the orders of Government.

3. I therefore beg that, as the said Subaltern's quarters are required for the use of the Family Payment and Pension Office at Arni, as there is no other building available, Government may be pleased to issue the necessary orders regarding the continuance of the use of the said Subaltern's quarters for the Pension Office.

Order—dated 8th August 1883, No. 4357, Military.

Sanctioned as requested in paragraph 3.

The sanction of Government in the Military Department to the continuance of the use of the — as the Family Payment and Pension Office, communicated to the Superintending Engineer, Fourth Circle.

Proceedings of the Madras Government, Military Department,
17th May 1872.

Read the following papers :—

No. 325. From the Quarter Master General, to the Officiating Secretary to Government, Military Department; dated Fort Saint George, 17th May 1872, No. 4066.

I have the honor to enclose correspondence as per margin, relative to locating the families of the 14th and 27th Regiments at Arcot in the Public buildings, and to state that His Excellency approves of the proposed arrangements.

No. 2433, dated 15th May 1872, from the Deputy Asst. Quarter Master General, Centre District.

2. It would be quite out of the question for Dr. Scudder's school to remain as at present located in the midst of the families, and I am directed by His Excellency to request that Government may be pleased to cause it to be intimated to that gentleman, that immediate possession of the buildings is required, but that other buildings are available for occupation by his school as a temporary arrangement.

3. I am further to request sanction that the officer in charge of the families at Arcot may be authorized to organize conservancy arrangements for their use, as a temporary measure.

From the Deputy Assistant Quarter Master General, Centre District, to the Quarter Master General; dated Fort Saint George, 15th May 1872, No. 2433.

I have the honor to inform you, by order of the Brigadier General Commanding the District, that I yesterday returned from visiting and inspecting the barrack lines in the station of Arcot, where the families of the 14th and 27th Regiments Native Infantry are to be located.

The accommodation is most ample and excellent in every way.

2. It is proposed to locate those of the 14th Regiment Native Infantry, consisting of 120 families, in the Cavalry lines, dividing them as follows :—

In standard guard...	...	...	...	4 families.
In gram-shed	...	...	6	"
In six bells of arms	...	...	60	"
In sick lines	...	...	48	"
In Quarter Master Serjeant's quarters	...	...	4	"
In Serjeant Major's quarters	...	...	5	"
In Serjeant Major's stables	...	...	3	"
			130	"

thus leaving space for any who may join hereafter, and those of the 27th Regiment Native Infantry, consisting of 170 families in the European barracks, divided as follows :—

In the Canteen	...	...	...	13 families.
In family quarters	...	...	22	"
European barracks	...	...	162	"
			197	"

Thus leaving space for any who may join hereafter.

Of these last in the European Barracks, it is proposed to provide for fifty-four, by moving Doctor Scudder's school to the Lock Hospital where there is ample room for them, both to live and to be taught, there being three rooms of 30×18 and one room of 20×18, and a due proportion of out-houses. There is also room for twenty-two more families in the east European family quarters, where the boys of Doctor Scudder's school now live.

It will be remembered that the European Barracks at Arcot were given over to Doctor Scudder, in order of Government No. 3607 of 8th December 1870, subject to resumption by

Government if required. Immediate sanction for the transfer of Doctor Scudder's school from the European Barracks to the Lock Hospital is required.

ORDER THEREON, 17th May 1872, No. 1638.

GOVERNMENT OF MADRAS.

MILITARY DEPARTMENT.

26th April 1881, No. 2292.

Military Buildings.

Read the following paper:—

No. 257. From Brigadier-General H. O'CONNELL, Quartermaster-General, to Colonel E. L. HANKIN, Acting Secretary to Government, Military Department; dated Ootacamund, 16th April 1881, No. 389.

I have the honor, by order, to bring to notice that several buildings at Arcot, at present borne on Military Returns, have long been otherwise appropriated, and are not likely to be again required for military purposes. It is requested, therefore, that the sanction of Government be granted for striking off from Military Returns the following buildings at Arcot:—

- No. 1. *General's Bungalow.*—Occupied by Head Assistant Collector.—Proceedings of Government, No. 1523, dated 23rd August 1864.
- No. 2. *Post Office.*—Occupied as an office by the Head Assistant Collector.—Proceedings of Government, No. 1523, dated 23rd August 1864.
- No. 3. *Store-room attached to old European Barracks.*—Handed over to Department Public Works.—Proceedings of Government, No. 3072, dated 17th September 1873.
N.B.—The store-room only to be struck off the returns. The barracks to be retained, see para. 2.
- No. 4. *European Hospital.*—Occupied as a Civil Dispensary.—Proceedings of Government, No. 937 and 294, dated 15th March 1867 and 13th August 1869.
- No. 5. *Standard Guard-room.*—Occupied as a Police Station.
- No. 7. *Native Hospital.*—Occupied as an office, Department Public Works, since February 1870.
- No. 8. *Granary Godown.*—Attached to the Civil Dispensary.
- No. 10. *Arrack Godown.*—Attached to the Civil Dispensary.—Proceedings of Government, No. 294, dated 13th August 1869.
- No. 11. *Two Solitary Cells.*—Attached to the Civil Dispensary and razed to the ground by Dr. Scudder.
- No. 12. *Lock Hospital.*—Occupied as an Industrial School.—Proceedings of Government, No. 1638, dated 17th May 1872.

2. The following buildings at Arcot it is proposed to retain. They are not at present required for military purposes, but it would be a pity to destroy them, and they will be available in case of a sudden demand for temporary accommodation:—

- No. 3. *European Barracks.*—With the exception of one store-room, which has been handed over to the Department Public Works, see para. 1.
- No. 6. *Native Cavalry Barracks.*—These are often occupied by some of the families of Native Infantry regiments serving out of the Presidency.
- No. 9. *Powder Magazine.*

3. There are certain buildings in the fort at Vellore which are at present occupied by civil officers, &c., but as the fort of Vellore and all the buildings in it are to be handed over to the military, it will be as well to retain all these buildings on Military Returns.

MILITARY DEPARTMENT,

Colacamm,

8th August 1883.

From the Superintendent
of Family Payments and Pensions,
to the Secretary to Government,
Military Department, No. 1060,
dated Fort St. George, 31st July 1883.

I have the honor to
bring to the notice of Government,
that the Officer in Charge of Family
Payments and Pensions at Arcot,
brings to the notice of this office,
that the Executive Engineer, North
Arcot Division, has informed him
that the buildings in the Arcot Fort
were declared, under the orders of
Government, No. 2089, dated 23rd
August 1881, to be struck off the

Military Returns in 1855, and such
as are required, were directed to be
transferred to the Civil Department,
the rest demolished, and he requests
to know when and by whom, and
under what condition the Subaltern's
quarters in the said Fort which are
and have been used as Family Pay-
ment and Pension Office at
that Station, has been handed
over to the Pension Officer.

C2. The Engineer in reply
was informed that the above inform-
ation can neither be traced in
this Office nor in the Armi Pension
Office, but as the said Subaltern's
quarters have been used
as a Pension Office at Armi,
for a period of more than 25 years,
he was asked whether there was any
objection to its continuance, and replied
that

that it can be allowed under the
orders of Government.

3. I therefore beg, that,
as the said Subaltern's quarters are
required for the use of the Family
Payment and Pension Office
at Armi, as there is no other building
available, Government may be
pleased to issue the necessary orders
regarding the continuance of the
use of the said Subaltern's quarters
for the Pension Office.

Order. Sanctioned as
requested in paragraph 3.
