2. *Regular Estimate for 1882-83.*—The opening balance entered by the President not coinciding with that advised by the Accountant-General, the Board of Revenue have adopted the latter officer's figure. Excluding this balance, the receipts, according to the regular estimate, show an advance over the sanctioned budget of Rs. 12,300, the increase being due chiefly to improved collection of Land-cess and to the Provincial grant on account of the Gopálpur Dispensary. The usual particulars as regards the years to which the arrears under Land-cess relate have not been given at the foot of the Demand, Collection and Balance Statement as directed in paragraph 3 of G.O., 10th June 1882, No. 449. Interest on arrears of Land-cess should be shown under "7, Miscellaneous," and not under "3, Rates and Taxes." Under Grant III a sum of Rs. 200, shown under "Acting allowance to the *locum tenens* of the Zillah Surgeon," should appear under "Hospitals and Dispensaries." The closing balance should have been shown at the close of the statement of charges. In other respects, the remarks of the Board are approved.

3. *Budget Estimate for 1883-84.*—The revenue from Land-cess is estimated at Rs. 1,08,000, and represents a fair proportion (84 per cent.) of the total demand.

The increased income expected from Tolls is ascribed to the transfer of the toll-gates to more suitable localities. Under Grant I, the allotment for road repairs has been considerably reduced, but is stated to be sufficient in consideration of the satisfactory state of the communications. The cost of Public Works Establishment is however, as remarked by the Board of Revenue, out of all proportion to the outlay on works and should be cut down as far as possible without delay. The President will submit proposals accordingly. Calculated at 10 per cent. on the bare receipts, the Road Fund Reserve should be Rs. 9,180 and not Rs. 8,740. The former figure is adopted in the abstract at the head of these Proceedings, and the Road Fund Balance is reduced accordingly to Rs. 2,110.

4. Compared with last year's budget provision, the educational allotment has been raised considerably, chiefly owing to the assignment of the full provision for the Normal School sanctioned in G.O., No. 1971, dated 16th December 1882, and to the increased allotment for results grants. Under Grant III, Miscellaneous, a sum of Rs. 200 is provided for "travelling allowance of the Zillah Surgeon." If this description of the item is correct, it should be struck out, the contribution for Sanitary inspection being intended to meet such charges as well as half the cost of the establishment of Assistant Surgeons, the remaining half being met from Provincial Funds. As regards the Local Fund Board's Office establishment, the provision made in the budget will be allowed to stand, pending the receipt of the revised proposals called for in G.O., No. 1923, dated 11th December 1882.

5. With these remarks, the Right Honorable the Governor in Council passes the Budget Estimates of the Chatrapur Local Fund Circle for 1883-84.

RESOLUTION—dated 19th July 1883, No. 2082.

The Local Fund Budget of the Chatrapur Circle for 1883-84 is herewith circulated to all officers concerned.

2. *Paragraph 2 of the Government Order.*—The attention of the President is invited to the remarks of Government regarding the omission to furnish the particulars of the years to which the arrears of Land-cess relate.

3. *Paragraph 3.*—The President will submit at an early date proposals for revising the Local Fund Engineering Establishment.

4. *Paragraph 4.*—The revised proposals in regard to the Local Fund Board's Office Establishment, called for in G.O., dated 11th December 1882, No. 1923, were submitted to Government with the Board's Proceedings, dated 28th June 1883, No. 1886.

5. The corrections referred to in the President's letter recorded in Board's Proceedings, dated 5th June 1883, No. 1591, have been made in the budget.

2. *Regular Estimate for 1882-83.*—The opening balance entered by the President not coinciding with that advised by the Accountant-General, the Board of Revenue have adopted the latter officer's figure. Excluding this balance, the receipts, according to the regular estimate, show an advance over the sanctioned budget of Rs. 12,300, the increase being due chiefly to improved collection of Land-cess and to the Provincial grant on account of the Gopálpur Dispensary. The usual particulars as regards the years to which the arrears under Land-cess relate have not been given at the foot of the Demand, Collection and Balance Statement as directed in paragraph 3 of G.O., 10th June 1882, No. 449. Interest on arrears of Land-cess should be shown under "7, Miscellaneous," and not under "3, Rates and Taxes." Under Grant III a sum of Rs. 200, shown under "Acting allowance to the *locum tenens* of the Zillah Surgeon," should appear under "Hospitals and Dispensaries." The closing balance should have been shown at the close of the statement of charges. In other respects, the remarks of the Board are approved.

3. *Budget Estimate for 1883-84.*—The revenue from Land-cess is estimated at Rs. 1,08,000, and represents a fair proportion (84 per cent.) of the total demand.

The increased income expected from Tolls is ascribed to the transfer of the toll-gates to more suitable localities. Under Grant I, the allotment for road repairs has been considerably reduced, but is stated to be sufficient in consideration of the satisfactory state of the communications. The cost of Public Works Establishment is however, as remarked by the Board of Revenue, out of all proportion to the outlay on works and should be cut down as far as possible without delay. The President will submit proposals accordingly. Calculated at 10 per cent. on the bare receipts, the Road Fund Reserve should be Rs. 9,180 and not Rs. 8,740. The former figure is adopted in the abstract at the head of these Proceedings, and the Road Fund Balance is reduced accordingly to Rs. 2,110.

4. Compared with last year's budget provision, the educational allotment has been raised considerably, chiefly owing to the assignment of the full provision for the Normal School sanctioned in G.O., No. 1971, dated 16th December 1882, and to the increased allotment for results grants. Under Grant III, Miscellaneous, a sum of Rs. 200 is provided for "travelling allowance of the Zillah Surgeon." If this description of the item is correct, it should be struck out, the contribution for Sanitary inspection being intended to meet such charges as well as half the cost of the establishment of Assistant Surgeons, the remaining half being met from Provincial Funds. As regards the Local Fund Board's Office establishment, the provision made in the budget will be allowed to stand, pending the receipt of the revised proposals called for in G.O., No. 1923, dated 11th December 1882.

5. With these remarks, the Right Honorable the Governor in Council passes the Budget Estimates of the Chatrapur Local Fund Circle for 1883-84.

2. *Paragraph 2 of the Government Order.*—The attention of the President is invited to the remarks of Government regarding the omission to furnish the particulars of the years to which the arrears of Land-cess relate.

3. *Paragraph 3.*—The President will submit at an early date proposals for revising the Local Fund Engineering Establishment.

4. *Paragraph 4.*—The revised proposals in regard to the Local Fund Board's Office Establishment, called for in G.O., dated 11th December 1882, No. 1923, were submitted to Government with the Board's Proceedings, dated 28th June 1883, No. 1886.

5. The corrections referred to in the President's letter recorded in Board's Proceedings, dated 5th June 1883, No. 1591, have been made in the budget.
