Office Note

Mr. Lambert apparently refers to lascars on the Petty Establishment and not to peons, as this Office has disallowed the travelling allowance of a lascar under Mr. Grant, vide copy of Disallowance List No. 40 item (1) on the Travelling Allowance Bill for April 1883.

2 There is no objection to Govt.
sanctioning travelling allowance
for lascars with reference to note

OFFICE NOTE.

From Govt of India No 9564 of 7th July 1883

To

R.

Under the new Code, Petty
Establishments in the P.W. Dept
expressly engaged for field service
are not entitled to Travelling
Allowance. In order to give
them some allowance, it is
now proposed in the accompanying
draft order to declare that
all lascars including those
employed on State Railways
do not come under the
definition of Schedule B, entry
17 of the Code - or in other
words to declare that this
class of subordinates has not
been expressly engaged for
field service.

The question is whether such a general declaration is in accordance with fact, or is likely to pass unchallenged by the Government of India and the Govt of India.

I am aware that the Local Govt may, in cases of doubt, decide whether any officer or class of officers comes within the definition or not. There may perhaps be some Lascars of the Dept who have not been expressly engaged for field service. But to say this of all is open to question.

I shall be glad of any further remarks you may have to offer on the subject.

To W.

The question as to Lascars employed in the Railway Branch has already been referred to the C. for opinion. She has stated that there is no objection to their being granted travelling allowance with reference to the note to Schedule B., item 17 of the Civil Travelling Allowance Code - I think therefore that the order as drafted may issue, but if you still have doubts on the point, the ^{State} Case of Railway Lascars may be

The Secretary to the Government of Madras
Public Works Department.

Simla, 7th July 1883.

Sir,

In reply to your letter No. 1714 W dated
18th ultimo, I am directed to state that when
Lascars come under the definition of Schedule B,
Entry 17 of the Civil Travelling Allowance Code,
the hardship of not granting them Travelling
Allowance can be overcome by giving them
adequate pay to cover the expenses they are put
to when travelling, on the understanding that
they will not draw Travelling Allowance. On
the other hand if the Local Government decides
that the permanent Establishment of Lascars, or
any portion of it, does not correspond with the
above definition, it can pass the Travelling

allowance.

allowance at its own discretion.
