## GOVERNMENT OF MADRAS.

## PUBLIC WORKS DEPARTMENT.

**General.**
**Account.**

Read—the following papers :—

From Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Engineer and Secretary to Government, Public Works Department, dated Ootacamund, 4th July 1883, No. 170.

I have the honor to submit a statement showing the sanctioned works for which provision of funds is required.

2. In surrendering the Convict Labor Fund, Government promised "to allot on jails, for some years to come, at least the equivalent of the average annual expenditure on jails from Convict Labor Fund and Provincial."

3. The balance to the credit of the Convict Labor Fund on the 31st March 1882 amounted to Rs. 1,60,533-4-5 and the subsequent credits up to March 1883 amount to Rs. 82,532-5-0, making a total of Rs. 2,43,065-9-5. I have not received from the Accountant-General the particulars of the amounts expended, but there are ample funds to provide for all the works entered in the statement under the head "Convict Labor Fund."

4. There is also the sum of Rs. 30,000 provided in this year's budget for the new District Jail at Kurnool, as the construction of this new Jail must be deferred pending the decision of Government on the prospective removal of the Kurnool Court. I request that this amount may be transferred to other jail works requiring allotment, such as the Store-room at the Penitentiary, Warders' quarters at the District Jail at Ootacamund, the Close Cellular Prisons at Vellore and Coimbatore, and the new District Jail and Close Prison at Trichinopoly.

Note.

2276/18

The Inspector General of Jails submits with his No. 170 of the 4th July 1883 a statement of sanctioned works, for which funds are required.

2. In this statement are included several works for which estimates are not sanctioned, and provision of funds is therefore not necessary at present. These are items No. 5. 8. 11. 12. 17. and 18. The estimates for items No 19 and 20 are with the Supdg Engrs Fourth and Eighth Circles.

3. Funds have already been provided for items No. 3. 10 and 13, aggregating Rs 14,753.

4. Funds are required for items No. 2. 4. 6. 7. 9. 14. 15 & 16. and the appropriations amount to Rs 58,826. To this may be added the grants for items Nos 19 and 20, which amount to Rs 8569. The total grant required will therefore be

Rs 67,393 -

5. The balance of estimate in item No 1 is Rs 306. No specific appropriation of funds is necessary -

6. The Inspector General of Jails has omitted the following works in his statement. Appropriations have been made to complete the first and second, but funds are required for the third.

i. Construction of 20 police huts for the guard of Guntur Jail. Est. Rs 4948, including prison labor, Rs 712

ii. Sub-jail with out houses at Mannargudi. Est. Rs 6660.

iii. Improvements to the Sub Jail at Nannilam. Est Rs 1500 -

7. In No 2245 of the 13th instant the Ch. Secretary was informed that this Deptt was prepared to accept a transfer of funds amounting to Rs 90,000 from the Convict Labor

Funds. the appropriations required in paras 4 and 6 can be granted from this amount. It may be well to dispose of this current number after receipt of reply to No 224 5 of 13th July 1883, an abstract of which I put up.

8. It is doubtful if the balance of estimates, of the following works, will be expended by the end of the current month. A deduction of Rs 15,000 can safely be made, I think, from both.

Item 4. For water supply and drainage of Central Jail at Rajahmundry .... Rs 21879

Item 9. A residence for the Superintendent of the Central Jail at Vellore .... Rs 19260
