Superintending Engineer's Office,
2nd Circle, Camp Bellone,
20th July 1883.

From

The Superintending Engineer,
2nd Circle.

To

The Chief Engineer
for Irrigation.

Sir,

In January last, I appointed one
A. Narayanarao formerly dismissed by you
from the post of Overseer's Writer, to ^{be} Sub-
Superintendent at Reddalgauja.

2. This appointment was made, because
in your No 42 Kd of the 1st April 1882,
you stated there was no objection to Nari-
yanarao's reemployment.

3. The Examiner now enquires, whether
you declared that Narayanarao's past
Services should count, and if not, ^{states} that
it will be necessary to obtain the orders
of Government to Narayanarao's entertain-
ment, after the age of 25 years.

4. You did not order Narayanarao
to be reinstated, but only recommended

his reemployment. I conclude therefore
that his past services should not count.
As however I am not certain of what
your intentions were, I think it better
to make the reference through you.

5. Should you be of opinion that
Narayana Rao's previous service is not to
count, please forward this letter on to the
Chief Engineer, Public Works Department,
with a request that under the special
circumstances of the case, Narayana Rao's
entertainment, when over 25 years of age,
may be sanctioned as a special case.

6. In order that all the facts may
be before you, I send on for your perusal
the correspondence on the subject, which
kindly return.

I have the honor to be,
Sir,

Your most Obedt Servant.

J. W. Parnall
Superintending Engineer,
2nd Circle.
