

S.A.W.

I am not quite sure that
this transfer of merely letter
amounts is necessary. There
may be demands for life on Repair
Civil Buildings and Repair Communi-
cations. At any rate Pottingly's part
will be completed I am credibly
informed this cold season & will
require a large extra allotment.
Would it not then be well to
transfer to it the reserve from
Repair Communications & have done
with it.
