GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

Proceedings of the Government of India in the Department of Finance and Commerce (Accounts and Finance—Rules and General Matters), dated Simla, 20th July 1883, No. 2154.

Read—

Letter from the Resident at Hyderabad, No. 208, dated the 28th May 1883, received in the Home Department, requesting sanction to a proposal made by Major Lane, Inspector-General of Police and Jails in the Hyderabad Assigned Districts, that one-fifth of the charges on account of his salary, tour, and travelling allowances should in future be debited to the Registration Department, in consideration of the extra work imposed on him by the combination of the Office of Inspector-General of Registration with that of Inspector-General of Police and Jails.

Resolution—

The Governor-General in Council observes that the fact of an officer, whose main duties and appointment fall under one head of charge, being entrusted with additional or subsidiary duties coming under another head of charge, does not justify the division in the accounts of his salary and allowances and those of his establishment between the two heads. Accordingly the proposal for the division of the charge above referred to cannot be sanctioned. It should be understood, however, that this principle does not apply to separate *fixed* allowances for additional duties, nor is it desired that any charge should be made in any case in which salaries and allowances under existing practice or orders are divided between two or more heads.

Order—

Ordered, that a copy of this Resolution be forwarded to the Resident at Hyderabad; also that copies be forwarded to the several Local Governments and Administrations, the Comptroller-General, the Comptroller of India Treasuries, and to the several Accountants-General and Comptrollers.
