READ—the following paper :—

Office Note from D. C. GORDON, Esq., Examiner of Public Works Accounts,
dated Madras, 14th August 1883, No. 495.

Adverting to G.O., No. 1573 W., dated 6th June 1883, I beg to bring to notice that, as per note in the Excluded Local Fund Return of Sanctioned Estimates of the Architect Division for June 1883, it would appear that the estimates for the two works mentioned in the Government Order above quoted were apparently sanctioned by the Director of Public Instruction in the same month, and as the amounts of the two estimates (both for repairs to certain works connected with the School of Arts) aggregate Rs. 896, the powers invested with the Director of Public Instruction in paragraph 1570 of the Code, as modified by Standing Order No. 106 of 1883, have been exceeded.

ORDER—dated 16th August 1883, No. 2289 W., Public Works.

Communicated to the Consulting Architect to Government, who will accord formal sanction to the estimates in question in view of the expenditure being regularized.
