SUPERINTENDING ENGINEER'S OFFICE,
5TH CIRCLE, MADRAS,
Chepauk, 28th June 1883.

From

THE SUPERINTENDING ENGINEER,

5TH CIRCLE,

To

THE

Chief Engineer

Public Works Department

of the
Major Commisary of P. W. Accounts,
Madras.

SIR,

Enclosures.

With reference to G. O. No. 1641 W dated
13th Instant, I have the honor to submit for
sanction an Application for re-appropriation
of Budget Grants.

In order to provide for the uncompleted Major
works of 1882-83 in the South Coast Division,
I can only propose the transfer of a part of the
Budget Grant of Rs. 5000 for alteration of roads
on the Chepauk grounds, and of the grant of Rs. 3382
made in G. O. No. 1785 of the 25th Instant for improving
water supply of the General Hospital at Madras.

Rs. 14,674 are further required for the South
Beach Promenade works, but there is no Budget
item of new works from which I can recommend
a transfer of funds.

I have the honor to be
Sir,

Your Most Obedt Servt.

C. No. 5725

note.

The Supply Eng. Dept
Circular requires Rs. 14,674
for the completion of the
South beach promenade,
and funds are also re-
quired for other works
in the Circle. but can
not recommend any
re-appropriation of budget
grants - There are no
funds at the disposal
of Govt. and on the
uncompleted works must
be first completed. Supply
Dept should not com-
mence any new
works for the present,
or until the demands
of the works in progress
are fully completed
with.

Incomplete works must
first be provided for, &
until this is done no new
works, unless urgent, are
to be put in hand.

At end of current month
when meeting to 1st August is
known the whole financial
position must be reviewed in
order to arrive exactly at what
can & what cannot be done.

The position at present seems
very unstable, with a mass
of incomplete works which of
course must be pushed on to
completion, & such works as the
Sellingby Street, & Annis Street
Palace & others in urgent need
of heavy alterations. The demands
are outstripping our means.

Is it possible under such cir-
cumstances to obtain an increase
to our Provincial grant? Is there
any precedent for such a case?
