Civil Works.

READ—the following letter from G. HAMNETT, Esq., Inspector-General of Registration, to the Acting Chief Secretary to Government, dated Permbalur, 1st August 1883, T. No. 2299 :—

I have the honor to request that you will be pleased to obtain the sanction of the Government for the preparation of plan and estimate for building a Sub-Registry Office on the standard terraced design at Usilampatti, in the Madura District.

2. The Sub-Registrar now holds his office in a room in the Taluk Cutcherry, which he reports to be "very small and incommodious," while the Deputy Tahsildar objects to its being enlarged.

3. Mr. F. E. Robinson, the Assistant Collector, who inspected the Sub-Registry Office on the 14th March last, remarked :—

"The office is scarcely adapted to the purpose, and a separate building should be constructed. The books are all well kept. The Sub-Registrar works among a population alien to the forms of law and better love their unstamped cadjans with caste punchayet than the safety afforded by registration."
