GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.  
Civil Works.

READ—the following papers:—

From Colonel J. BEATTY, R.E., Superintending Engineer, Fourth Circle, to the Chief Engineer, Public Works Department, dated Coimbatore, 19th July 1883, No. 292.

With reference to paragraph 3 of G.O., No. 2455 W., of 22nd September 1882, I have the honor to report that the Telegraph office at Malapuram is now located in a private building a short distance from the barracks, which is rented at Rs. 25 per month.

2. I also send, herewith, three letters \* from the Executive Engineer, Coimbatore, from which you will observe that the Officer Commanding Malapuram, the Director-General of Telegraphs, and the Chief Superintendent of Telegraphs are all agreed that "the eventual location of the Telegraph office in the married † quarters will be the most suitable arrangement."

\* Nos. 227, 245, and 576 of 27th and 28th May and 27th June 1883.

† Vide letters from Executive Engineer, Nos. 245 of 28th May 1883, and 576 of 27th June 1883.

3. It seems unnecessary, therefore, for me to submit plans and estimates for erecting new buildings for the Telegraph office. They have, however, been prepared on plans approved by the Director-General of Telegraphs and amount to Rs. 9,625. A site for the building has also been settled in communication with the Officer Commanding, so that the plans and estimates are now complete, and can be submitted at once if you consider this desirable.

No. 1376 C, Public Works.

Referred, through the Military Department, to His Excellency the Commander-in-Chief for favor of opinion whether there is any objection to the Telegraph office at Malapuram being located in the block of married quarters referred to.

(By order).
