EXPLANATION OF NECESSITY OR RE-APPROPRIATION.

The surrender of Rupees 10,000 from Item No. 42 of the Budget was made at the suggestion of the Exec. Engr. Tinnevelly as he anticipates that the whole of the existing grant at his Special Order for 2 blocks of cells to be made up as soon as possible for commencing Nos. 3 & 5 A blocks - The Supdg. Engr. ordered before the N.E. monsoon -

2 - The Exec. Engr. Tuticorin also reports that the roof of the Deputy Collector's Cutcherry at Avalur is unsafe, & that the preparations for closing on with the work - It is requested that the proposition of funds may be sanctioned -

Does the surrender in view probably of the time that has already elapsed, & of the amount that will be likely to be expended if resumption of work be hereafter sanctioned.

The reapprobation statement might therefore perhaps be sanctioned?

Yes – but will not Inspector Jas of Jails object to the transfer of the amount of other works not connected with his Dept? I know the orders of Govt under which Jail works are not remunerative, but it might be well to ascertain whether any S. E. has proposed this reduction, allowing him if he has any objection thereto
