GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General Account

Read—the following letter from Lieutenant W. L. C. BADDELEY, R.E., General Superintendent, Public Works Stores, to the Deputy Chief Engineer, Public Works Department, dated Madras, 9th August 1883, No. 658 S. :—

I have the honor to forward, for submission to Government, estimate of the probable quantity and value of stores required from England for the use of the Public Works Department during the official year 1884-85, prepared in the form prescribed by the Government of India Resolution, No. 185, dated 10th January 1883, communicated with G.O., No. 2060 W., dated 27th July 1883.

2. I have provided in the estimate for a number of scientific instruments, as nearly all those in stock are second hand, have been in use for several years, and often repaired.

3. Of the 24 levelling instruments sent to England in June 1882 for repair, 16 were condemned by the Director-General of Stores, London, *vide* G.O., 9th January 1883, No. 59, Public Works.

4. Under the head of Machinery I have provided for two 8-H.P. portable engines, as there is not a reliable engine in stock ; also for four foot lathes, as almost all the lathes in the Mathematical Instrument shop are worn out from long and constant use.

Order—dated 18th August 1883, No. 2326 W., Public Works.

Ordered to be forwarded to the Secretary of State through the Government of India.

THE SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

In forwarding, for transmission to the India Office, the accompanying estimate of the probable quantity and value of stores required from England for the use of the Madras Public Works Department during the official year 1884-85, I am directed to inquire whether, with reference to Circular No. XI, Public Works, dated 21st June 1883, it is intended that these estimates should be forwarded through the Government of India. This Government presume that, as in the case of indents, the annual estimates may be transmitted direct to the Secretary of State, but the wording of the circular in question leaves the point open to doubt.

I have the honor to be,
Sir,
Your most obedient servant,

Major-General, R.E.,
Secretary to Government, P.W.D.

Under an old circular these estimates have hitherto been sent through the Dir. Genl of State By Stores, while indents have always been sent direct to the India Office.

The encls. to Circular No. 51 P.W. of 83 show clearly enough that indents continue to may be sent direct, & the instructions relative to estimates appear to indicate that these do: Comments also may be sent to the India Office by the Local Govt, while nothing is now said ending them thro' about the Dir. Genl of State By Stores.

The covering circular from the G.O.S.I. No. 51 P.W. however is not at all clearly worded. It merely says "Separate Returns in Form K (the estimate form) are required from the several

nothing is said about
the estimates from Local

The Ch Office holds
that all estimates for Stores
should under the above
be sent thro' the Govt
of India, & they have
sent to the Code com-
mittee a standing order
embodying this view
in the P. W. Code.

It would be
as well therefore to
obtain a clear inter-
pretation from India?

Sir,

In forwarding for
transmission to the India
office the accompanying
Estimate of the probable Q
quantity and value of
Stores required from
England for the use of the
Madras P. W. Department
during the official year
1884-85, I am directed
to

Note - Three columns have been omitted from the estimate in accordance with the instructions contained in the recent circular No. VI P.W. 1883. They should now be sent direct from the Presidency to the Secretary of State for India. Should it appear to the Govt of India that the Estimates should be submitted to the Ch Engr for India for scrutiny before being submitted to the Secretary of State, a clear intimation to that effect is requested.
