Sir,

with reference to G.O. No 127 W of
the 12th Instant, I have the honor to inform
you that the allotment of Rs 3730 made
in G.O. No 2755 V dated 23rd October/82 for
the work "Record room attached to the
office of the Collector of Tanjore" was sur-
rendered in the statement which accom-
panied my letter No 1720 T.J. of the 22nd Ulti-
mo, as it was reported by the Executive
Engineer that the original estimate had
not been received from the collector,
which will most probably require
revision, and it is not likely that
sanction could be obtained much
before the end of the year.

PROCEEDINGS OF THE BOARD OF REVENUE.

READ—the following letter from H. E. STOKES, Esq., Acting Collector of Tanjore, to the Secretary to the Board of Revenue, dated 13th November 1882, No. 6557:—

With reference to G.O., dated 21st February 1879, No. 559 W., Public Works Department, communicated in Board's Proceedings, dated 25th March 1879, Miscellaneous No. 2975, I have the honor to report that the records have now all been sorted, and those which need not be retained have been destroyed. Nevertheless, the accommodation available is hardly sufficient and must become less and less so as the records daily increase in bulk. Extension of the present accommodation is consequently necessary.

2. I therefore request that the restoration of the old record-room adjoining the Treasury Deputy Collector's Office, for which an estimate, amounting to Rs. 6,030, was submitted to Government, but has been ordered by them, in their Government Order, above quoted, to be postponed pending the arrangement of the records, may be ordered, and the sanction of Government specially obtained for including the work in the next year's budget, Public Works Department.

RESOLUTION—dated 27th November 1882, No. 2905.

Submitted to Government with the Board's recommendation that the work may be included in the Public Works Budget of 1883-84 and funds allotted for the same.

Acting Secretary.
